June 2022 Alpine, CA

Commander's Message

Comrades,

As always, I would like to say welcome to all of our new members and everyone receiving this newsletter for the first time.

Our **Post** continues to be a staple in this community through your support and membership in our **Post**.

I would like to wish all of our **Army veterans** out there a **Happy Army Birthday!** Things around the **Post** are looking great and we appreciate the respect shown and the way everyone presents themselves while enjoying meals and activities at **VFW Post 9578**.

On an important note, membership at our May **General Meeting** voted to *no longer* have a riders group associated with **VFW Post 9578**. I ask that you respect all parties involved and continue to treat everyone involved in high regard. This is never an easy thing and some are members of this **Post**. So, just as you respect me as your **Post Commander**, I ask that you show the same courtesy to everyone else; I see

Quartermaster's Report

As the fiscal year comes to a close, I am pleased to report that our **Post** is on track for another excellent financial year; we have built a very strong financial foundation. However, the true strength of a post is measured by its active

membership. It is very important that our members regularly attend the monthly **General Meetings**, held on the second Saturday of the month. We need your active participation at the meetings as we chart the course for the **Post's** future. Next meeting: **11 a.m. Saturday, June 11th**.

The observance of **Memorial Day** gave all **Post** members a chance to remember our lost comrades and pray for a world without war. The current Russia/Ukraine conflict is a stark reminder of the fact that a regional border conflict may expand into a world war.

I took my first vacation in five years, returning to my native New Hampshire. I now realize that, after 14 years of residing in Alpine, I am no longer a New Englander; I am a true Californian!

Many thanks to **Post Commander John Sullivan** and **Asst. QM Theo Bazdorf** for taking care of my **QM** duties while I was gone.

nothing but good coming out of this.

We will be holding a **Flag retirement ceremony** at 10 a.m. on Saturday, June 18th at the **Post**. If you have not attended one of these before, it would be nice of you to just to come out and watch, even if for just a short time.

Thank you to **ECTLC** for agreeing to cook our **Wednesday Night Pasta Dinners** and our **Thursday Night Chicken Dinners** as well.

Please continue to support the **Post** by inviting friends and attending events at the **Post**.

As always, I am blessed and honored to be your **Commander** and I deeply appreciate all of you as members and patrons of this great **Post**! If you need to reach out to me, please call me at **(858) 729-3911**. I am here for you - the **Veterans**, the **Auxiliary**, our families and the community of **Alpine**!

I hope each and every one of you have an amazing month of June!

Chaplain's Message

As I note each June in my monthly **Chaplain's Message**, June 14th is the 247th anniversary of the establishment of the **United States Army**. It is also **Flag Day**, which commemorates the adoption of our Nation's flag two years later, in **1777**, by resolution of the **Second Continental Congress**. Always remember what our Nation's flag means to us veterans. At **10 a.m.** on **Saturday, June 18th** we will hold a **flag retirement ceremony** at the **Post** by respectfully incinerating outside all damaged or unserviceable flags that have been dropped off at our **Post** during the year. We hope to have local **Boy Scouts** and/or **Girl Scouts** to assist us.

An interesting observation from **Sharp Health News**: "Some may think spirituality and religion are the same thing. However, they are two different concepts that may or may not overlap. **Religion** is based on a

Committee Report

Comrades:

We are working on getting bids to refurbish the patio deck surface. If it all gets approved, the deck may be closed for a while. I will give progress updates soon.

I hope you all remembered our fallen comrades this past month on **Memorial Day**. Most of us that went to war know of a few that didn't make it home.

This month the **House Committee** will meet at **10 a.m. Saturday, June 11th**.

The **General Meeting** will be held at **11 a.m.** on **Saturday, June 11th**. Please attend and provide your feedback and suggestions regarding the operations of the **Post**.

Stay safe and God Bless everyone.

Best Regards,

John

Auxiliary President's Message

As we start to look forward to the beginning of summer, we look forward to another great year of our

Auxiliary. The new officer team is ready for a great year of supporting the **Auxiliary**, our **Post** and veterans and their families.

The **Auxiliary** participated in the **VFW Post 9578 Memorial Day** observation at the **Post** and cooked burgers and hot dogs.

We wish everyone an amazing start to summer. And we look forward to seeing you at the **Post**. Thank you for all that you do to support our **Post** and veterans. We look forward to seeing you at our July meeting.

Our next **Auxiliary** membership meeting is

system of beliefs, practices and rituals to worship a supernatural being. **Spirituality** tends to focus more on a person's quest to understand life's meaning and purpose, as well as their connection to other beings, nature and something bigger than themselves." Something to think about – yes?

We have recently learned of the passing of life member **U.S Navy Vietnam veteran Donald E. Watts** of Alpine. Services for **Mr. Watts** are pending at this time, and will be announced when known.

O God of mercy, peace, and love, we remember before you in this moment our friend and fellow veteran Donald Watts. We recall with respect all that he stood for in this life. Help us to live in the companionship of his spirit. May we be kind to the friends and family he cared for; devoted to the community in which he lived; and loyal to the causes which he served. Thus, in our lives and hearts, may Donald live on, to our great comfort, to the betterment of your creation, and to the furthering of your most holy will. AMEN.

Auxiliary Chaplain's Message

Happy June to all!
Things are pretty much back to normal, and everyone is out and about.

I would like to ask if you could make some time in your busy schedule to volunteer at the **Post!**

We are all part of a small organization which is part of a larger world. I know that many of you already volunteer in your respective churches, schools, groups, etc., and have important family commitments.

But our organization – the **Alpine VFW Post 9578 Auxiliary** - is in desperate need of volunteers to help with Saturday “**Burgers with a View**”, various duties and activities of the **Auxiliary** and just plain “giving a hand” or “pitching in” when you see something that needs to be done around the **Post**. The **Auxiliary** is here to help our **Veterans**, in any way – big or small! The **Post** staff and Officers can't always be available to help when the need arises. A lot of the time a quick “let's step in and help” will get the job done.

We all have different amounts of energy; and some persons have medical shortcomings as well as work or commitments at home. But I bet you can offer to help with **Auxiliary** correspondence, picking up trash if you see it around, even

stopping by to support the great lunches our bar staff prepares daily during the week or one of our new **Wednesday night pasta** or **Thursday night chicken dinners**.

Come support and volunteer to make our **Post** a happier, cleaner, stress-free environment for all who visit. Members and nonmembers (lots of member prospects with the visitors) want a happy, welcoming environment to relax, enjoy camaraderie, food, drinks, music, and a break from daily life. Be an active part of the "health" of the **Post** and pitch in!

Prayers to all who are in need. Happy summer to everyone who reads this message. I am here for you as your **Auxiliary Chaplain**.
