Commander's Message

Dear Comrades,

As we step into the month of **May**, we commemorate not only the arrival of warmer days but also the profound sacrifices and indomitable spirit of our servicemen and women. Auxiliary President's Message

unity and support of our members. As we navigate through the challenges of the present day, let us reaffirm our commitment to supporting one another and our communities. Whether through volunteering, outreach programs, or simply lending a helping hand to a fellow veteran, each act of kindness strengthens the bonds that tie us together.

Advocacy and Support

Our duty to our fellow veterans extends beyond mere words - it requires tangible action. As advocates for veterans' rights and benefits, we must continue to champion their cause on every platform available to us. Let us stand firm in our resolve to ensure that every veteran receives the care, respect, and support they rightfully deserve.

Looking Ahead

As we look ahead to the rest of the year, let us approach the challenges and opportunities that lie before us with unwavering determination and steadfast resolve. Together, we can overcome any obstacle and achieve greatness in the service of our nation and our fellow veterans.

In closing, I extend my heartfelt thanks to each and every one of you for your service, your sacrifice, and your unwavering commitment to our cause. May we continue to stand strong, shoulder to shoulder, in the pursuit of our shared mission.

If you need to reach out to me, please call me at **(858) 729-3911**. I am here for you - the **Veterans**, the **Auxiliary**, our families and the community of **Alpine!**

Sincerely,

John

Auxiliary Chaplain's Message

Mother's Day is Sunday, May 12th!

Our Family will be celebrating this **Mother's Day** by moving our Mom,

Virginia, to a smaller apartment and out of her home of the last 20 years.

She will be **99 years old** in September!

She will still be "living on her own," but within the confines of a larger community. She is hesitant, but excited at the same time!

Spring/summer is a good time for change - all things are new! Our Family is extremely lucky to have our Mom still here and still

taking care of herself at her age. She is a study in determination, faith, hard work, and a whole lot of love! Our Dad passed at 59 (they were the same age), with the three youngest children still living at home.

Mom continued raising them on her own, working until she was 80 years old. All seven children in our family have benefited from her absolutely amazing example!

We should all strive to be the best example we can be, not only to the younger generation – but to each other, as well.

I find that many people today think it is okay to do or say anything you feel like to any other person. This does not set a good example. As part of this extraordinary world that we live in – we are all tasked with the assignment to be the absolute best human we can be – and to the absolute best example to everyone!

I know it may be easier to grunt out a “move out of my way” rather than perhaps “excuse me Sir or Madam,” but at least try. Spread a happier vibe as you go about your day. Not only will you be living a happier life getting a smile from someone instead of a scowl – you will be making someone else’s day. Hopefully, they will continue to spread the joy! Be like **Virginia** – every day! I love you Mom!

With much love to all the Moms out there, sending peace, contentment, and a smile!
