

Grass Roots Muddy Boots

Disclaimer

Updated 25.2.21

At Grass Roots Muddy Boots every effort has been made to ensure that you and your child stay safe during your Forest School session. Careful risk assessment, training and development of policies and procedures that are constantly being responsive to the changing reality of the risks at Forest School.

Tools and Fire lighting

During the sessions there may be access to a range of tools for children and adults to use, in order to develop skills in whittling, carving, sawing etc. Whilst there has been and will be careful assessment of the risk and the individual's skill and ability to use the tool as well as training and support, there will still be a measured risk which GRMB cannot be responsible for.

Other activities at Forest School

Children engage in 'Free Play' at Forest School. This means that they choose where and how they want to play. These activities sometimes result in injuries such as: bumps, bruises, scratches. We recommend that children wear the correct personal protective clothing to minimise these injuries but cannot be held responsible for any injuries that occur.

Corona Virus

GRMB works within current Government recommendations to keep the children and adults who attend Forest School safe. We are not responsible for individuals testing positive for Covid-19 after attending Forest School.

More information about policies and procedures can be found in [The Forest School Handbook](#).

Please do not hesitate to contact me if you have any queries or questions we are happy to help.

Safeguarding information

All staff are DBS checked and have experience working in the outdoors and activities are fully risk assessed. Staff are trained in paediatric outdoor first aid. We are fully insured for all activities. The site has clear boundaries and is secure. **Please read GRMB policies and procedures in [The Forest School Handbook](#) for more information.**
