#### Meet Karri Brown – Piano Teacher

Karri's interest in piano began at the very early age of 3. From age 8 through graduating high school, Karri participated in over 10 piano contests and recitals each year including Guild Competition. Additionally, Karri's high school studies involved band, jazz band, and piano lab. As an adult, Karri enjoyed accompanying in weddings and banquets and continued her music interest by attending workshops including one by a three-time Dove Award winner, **Paul Baloche** who is one of the most admired contemporary Christian songwriters. Karri attended Rose State College where she studied music software for composing music that she utilized in composing her own songs. Along with teaching piano students at NMI, she is a member of the band Rewind and performs in church cantatas celebrating Easter and Christmas. Karri, along with other NMI teachers perform with students at monthly showcases. Karri is dedicated to helping NMI students learn and enjoy the art of piano music.
