**Once again, our students had a chance to perform at Norman Music Festival. NMI vocalists performed on the Craig Streight Orthodontics Kids Stage. The NMI Rock Clinic bands performed at the Main Street Event Center. NMI teachers performed with their own bands at several festival locations. It was the best one yet!**

## Song Writing Contests

On May 6, students had the chance to perform original songs they composed themselves.

We are so proud of these students! The songs were amazing, making it difficult for judges to pick a winner.

Kylie J. and Daniel L. won ukuleles and the other participants were awarded "I played the Big Room t-shirts". Great job, everyone!

"My daughter's teacher is extremely kind and thoughtful. He's very patient with my incredibly active child. I sit in on each session and he makes sure that she stays on track, without any input from me. I'm a single mom and he's reminded my daughter of what a gift I'm giving her with her lessons and my encouragement and to respect me, etc. It's wonderful that he backs me up and in such a gentle way that she doesn't realize she's being corrected. She is ALWAYS excited to attend her lessons, even when she's exhausted from school etc. Thank you NMI for being so incredibly awesome!!!" — Siera L.

*Students who submitted the winning titles were also winners. Thank you to Johnny and JK for your inspiring song title selections!*
