STORYTELLING EXPERIENCE

Co-founder, Y&F Films

2018 – Present

- Creative director, leader, and entrepreneur working with clients to understand their stories and meet their goals through extensive discussions, pre-production, and storyboarding
- Recorded and edited music festivals and concerts; weddings and engagements; sports and action photography; and theatrical productions meeting deadlines at each stage
- Managed the filming of corporate interviews and promotional and event recap videos
- Partnered with a non-profit organization to craft and develop curriculum for training foster parents
- Audio Engineer for LU Video Department Production; utilized a variety of equipment including Zoom H6 mics

Videographer Intern, Christian Broadcasting Network

Summer 2022

- Filmed interviews, mini-documentaries, and redemption stories of ex-convicts/recovering addicts across the U.S.
- Handled lighting, miking, and camera setups for multiple shoots to create an efficient workflow
- Executed protocol and followed best practices for traveling nationally with substantial loads of equipment
- Became proficient with professional camera and lighting gear: Sony FX3, Sony FX6, DJI, Ronin R2, Lumix S1, Lumix G7, Stella Pro Cx10, and Nanlite Forza 720B

Editor Intern, Moroch Marketing Agency– Sidechops

Summer 2023

- Edited commercials and advertisement videos for McDonalds and Kia that were used on television and social media platforms
- Crafted videos and gathered digital assets for the IFG National Sales Meeting; worked with a team of 5 producers to craft engaging and creative content for each video
- Created an internal video for XPO Trucking, a nation-wide trucking corporation to boost employee morale
- Edited a reel for Payton and Eli Manning, meeting client expectations and working with a large company to complete production goals

Sports Travel Videographer and Editor, D1 Women's Lacrosse Program

Summer 2023 – Present

- Collaborated with coaching staff to capture high-quality video footage of practices, games, and events
- Created cinematic videos and social media content, increasing user engagement and followers
