

Dear Community Member/ Merchant,

The BHS Highlandettes would like to give you the opportunity to help the students in your community and grow your business at the same time. Throughout the year the Highlandettes work as ambassadors in the community, here are just a few examples: we raised over \$10,000 in the past 3 years for breast cancer research, volunteer as Diva Dawg mentors and donated our time to Emory Bellard–Spike Dykes Seton Kids Care-A-Van Golf Classic.

We are currently seeking financial sponsors to supplement fundraising in order to make this year successful. Your financial donation will support the Highlandettes in some of the following ways: performance costumes, production props, and their annual Highlandette Spring Show. As a sponsor of the dance/drill team, you will receive a tax write-off advantage, your logo and contact information on our website, a framed sponsorship photo of the Highlandettes and an ad in the Spring Show program. All of this provides great opportunities for support of Burnet students as well as great advertisement for your business.

Please take a moment to look at the different sponsorship levels, on the back of this form, to determine what type of sponsorship you may be able to provide. Any support will be greatly appreciated.

Sincerely,

Caity Clinton  
Burnet High School
