

**“YOU SHALL LOVE THE LORD YOUR GOD WITH ALL YOUR HEART, AND WITH ALL YOUR SOUL, AND WITH ALL YOUR STRENGTH, AND WITH ALL YOUR MIND” LUKE 10:27**

In Catholicism we can find answers to life's most difficult questions...Why do I have to suffer? Why do people have to die? Is purgatory real? What is heaven like? Are angels real? Who are the saints in heaven? Is there life after death? Why am I here?

All these questions can be answered to your satisfaction by knowing the Catholic faith and what it teaches. This is what Jesus meant when he said to love God “with your all mind”. The Lord wants us all to know and understand His truth, so we can embrace it wholeheartedly and live by it. Nowhere else in life do these questions come to mind more than in the world of the Catholic Cemetery. Death has a way of stirring the mind and heart of all these, otherwise, disregarded questions.

This is why the Diocese of Trenton Catholic Cemetery “Ministry of Hope in Eternal Life” offers an Annual Conference with great theologians, bible scholars and speakers to answer the most troubling questions of life and death. There is peace in truth. Christ reminds us, “The truth shall make you free” (John 8:32).
