

California Oliver Cletrac Club

Chapter 2 of the Hart-Parr Oliver Collectors Association Branch 152 of the Early Day Gas Engine and Tractor Association Club Membership Application

Per club bylaws, all members of COCC must also be current members of EDGE&TA. Per EDGE&TA's insurance program, only individuals (no family or corporate) may hold memberships. An individual may hold membership in more than one EDGE&TA branch but must be a member of one primary branch. International members may show and actively participate in any event but are only covered at events within U. S. borders. EDGE&TA membership and insurance fees are incorporated into the club dues structure for new club members who are not already EDGE&TA members. Refer to the EDE&TA National web site www.edgeta.com for full details on coverage and benefits.

A Full COCC/EDGE&TA Member has his/her primary membership in EDGE&TA through COCC. A Partner COCC/EDGE&TA Member is a person who holds a current primary membership in another EDGE&TA branch. EDGE&TA event Insurance is covered through that branch. An Associate COCC/EDGE&TA Member is either the spouse/domestic partner or minor child of a current COCC member. **Payment to be made by valid check or U. S. currency only. Club membership fees are due January 1 of each year, and NO LATER than March 1 to be covered at shows after April 15.**
