Who We Are

Welcome to your wedding planning journey! Based in South East Queensland, we are passionate about turning your wedding dreams into reality. Our love for creating beautiful, memorable weddings began with a simple belief: every couple deserves a day that reflects their unique love story.

Our journey into wedding planning was born from a deeply personal experience. When planning our own wedding, we faced unexpected challenges with vendors unwilling to work with us because we are a same-sex couple. This experience ignited a passion within us to ensure that no couple should ever feel marginalised or unwelcome when planning their special day.

With years of experience in the industry, we have had the privilege of coordinating and planning weddings both locally and in stunning locations around Queensland. Our commitment to excellence and personalised approach is designed to cater to the unique needs of every couple.

At the core of our business is a genuine passion for love stories and a dedication to making your special day as magical as possible. From the initial consultation to the final send-off, we are with you every step of the way, ensuring that your wedding is a seamless and joyous celebration.

Join us on this beautiful journey, and let's create the wedding of your dreams together.
