October, 2017 Newsletter of CAMEO Quilters Guild Vol. 24 No. 3

A Message from the President

Cindy May

AS THE SAYING GOES...

"But can you just feel it?"

"Oh, that old quilt feels so soft and cuddly warm!"

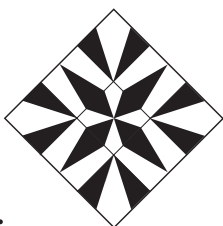

"Boy, it sure felt cold outside last night."

"How are you feeling now? Better?"

Common comments to our everyday feelings, right? But how we feel is deeper than that.

Feelings can be interpreted in so many ways. And they are so important to each and every one of us. Whether it be emotional and getting your feelings hurt by someone's harsh words, physical by feelings to sensitive skin, by touch with a fingertip to dry a tear, by finding that ticklish spot that makes someone laugh out loud, by remembering for a lifetime the very first grasp of a newborn baby to your hand, by a silent hug that can say it all; these all can be heartfelt and emotional feelings. We cannot explain why we react to a word or gesture, or how our heart feels emotions, but be glad we can.

Hope that as we continue this year at CAMEO, we grow and show and share our feelings to our best abilities. Make someone feel good. Use your sewing skills to benefit. Be an example to others, a good example.

Charity

Linda Wallace **Sharon Cratsenberg**
(248)398-9234 (586)531-5280

A complete list of charities to support has not been determined. CAMEO has sponsored the Haven Domestic Violence Shelter and the Clawson UMC Layette Program in the past and the committee thought we should continue that support.

1. **HAVEN bags** will be available at the October meetings. We will have a list of items that you can buy to fill the bags. We give these bags to Haven for Christmas. They are to be filled with items for an infant, young girl or boy, or a mother. (collected at the November meeting)
2. **The CHURCH LAYETTE program.** They have asked for the baby quilts to be approximately 36"x36" to 40"x40" square. Baby quilts may be brought in to any meeting. LAYETTES also include baby clothing for newborns, diapers, etc. (collected at the April meeting)
3. **CONKERR CANCER** We will be making pillowcases on Charity Day for children with cancer. We need juvenile themed fabric. Please select something that you would give to your children or grandchildren. Each pillowcase requires 1-1/2 yds. (Charity Day is the third Saturday of February)

If you would like to suggest an organization to support with quilts, please contact Sharon Cratsenberg or myself (Linda Wallace). Apples, not caffeine, are more efficient at waking you up in the morning.

When bringing items to Charity Table, **PLEASE wait** until the table is completely set up. It becomes difficult for us when members drop things off at the table before we are ready. Every donation needs to be documented. We are using a slightly different check in process, so we are asking you to wait until the table is completely set up, then someone at table can assist you as to which form to sign.

Programs & Workshops

Sharon Cratsenburg
VP, Facilitator

For October's meeting CAMEO will present **Beth Donaldson** for a lecture and trunk show, called "Quilting in Detroit in the 1930's." Guild members are welcome to bring in antique quilts they have for show and tell.

On **Saturday, Oct. 21**, we will have an **Open Sew Day**. Bring a lunch, your machine and projects to sew. There is no fee for this day. Help make "Hearts 'N Hugs" - bring in your scraps and a 6" heart block pattern.

Thank you to Ruth McCormick for her lecture and PowerPoint on batting. It was very interesting and I hope you were able to see the differences in her batting samples before we lost power.

For **November** we scheduled **Michelle May of Raspberry Rabbits** from Wilmington, NC, for a "Chat" (lecture) and "Playdate" (workshop). The workshop cost is \$55 which includes the material fee. Please let me know if you wish to attend the workshop by email or phone. You can either mail me your registration and check or give it to me at the October meeting. You will be able to pick out your colors for your pincushion. I will send you a supply list (the basics, scissors, NO Machine is needed) upon receipt of your registration. This should be a fun lecture and workshop. Feel free to invite a friend to join us. Here is a link to her website if you wish to see more info about her: www.theraspberryrabbits.com

(CAMEO Quilters Guild Board Meeting minutes continued from previous page)

NATIONAL QUILTING DAY & CHARITY DAY: **Cindy May** offered to have the guild pay for a catered lunch for these events. Decision to be made by each committee.

PROPERTY: **Linda Watkins** is storing all quilt show property at her house.

HEARTS 'n HUGS: October's Open Sew will give members opportunity to sew blocks for Hearts and Hugs. Hearts and Hugs are at Cindy May's house and will be given to that committee in October.

LIBRARY: Proposed to ask **Karen Hoskins**, Library Committee for ideas on storage/usage of the library.

25 YEAR ANNIVERSARY / QUILT SHOW: Discussion on a 2019 quilt show took place; no definitive consensus was made. Some members want to start making the next quilt show's raffle quilt now to give more time to make, photograph, apply for license, and sell tickets for the quilt. The idea of making an Anniversary raffle quilt without having a quilt show was suggested.

PUBLICITY: The membership will be asked to help with formulating a list of local newspapers.

RETREAT: the idea to offer a different venue was proposed. Barbie Brooks of Back Street Quilt Shop in Bad Axe offers more of a bed and breakfast style retreat at Bay Shores Camp in Sebewaing. Currently, February 8-11 (Thursday-Sunday) still has openings at \$240 complete. Lodging is in private rooms with private baths, room occupancy 2-3 people. Cindy May will send out an email offering this to members.

MEMBERSHIP FEE: there was a discussion to prorate membership fee to \$25 for those who sign up after January.

BUDGET: **Treasurer Pat Baldauf** reported that she and **Assistant Treasurer Cheryl Cawley** have started on the budget. A copy will be sent to Cindy for any changes.

SCHEDULING: **Scheduling VP Loreen Garrison** reported that portrait quilting was the only request she received for next year's speakers. September, 2018 will have an open-sew meeting. Loreen may invite quilt shops in to demonstrate how to use new rulers or other new gadgets for February, 2019 Whistle Stop. Loreen is trying to get local quilters for speakers, like former CAMEO member Lori Miller.

PROGRAMS & WORKSHOPS: **VP Facilitator Sharon Cratsenburg** reported that costs for speakers keeps increasing, especially when adding transportation, lodging, food, shipping quilts, etc. The board decided to cancel Karen Coombs for April, 2018, because of expense. Troy quilter Linda Thieftoldt (former CAMEO member) will replace Karen Coombs. All other programs remain the same for 2017-18.

Corresponding Secretary Karla Sutton requested more address labels with the CAMEO logo be purchased. Several board members said they could use some. **Laurie Johnson** and **Cindy May** will work on producing these.

Meeting adjourned at 10:10.

Next meeting is to be held at Sharon Cratsenburg's house on October 26.

Watch Out for "Slip of the Keyboard!"

The Silhouette is a source of important information for our guild members. To encourage members to read the *entire* newsletter, the Editor gets to have a little fun and bury a silly statement somewhere in each newsletter. Members who find the Slip of the Keyboard will write it on a slip of paper at each monthly meeting and be entered into a drawing for a fabulous quilting prize! So, if you come across something that doesn't make sense or just doesn't fit - you've found it! Good luck and happy hunting!
