President's Article...

I hope you have had a wonderful summer with time to relax and perhaps time to do some sewing. I'm delighted and excited to begin my year as your president. Congratulations to the newly elected officers. You'll find them listed in the left hand column along with their contact information. This is an awesome group of women who have already begun preparations to ensure you have an enjoyable guild year.

Our programs for this year promise to be stimulating, inspirational and fun. We start off the year with our own CAMEO trunk show and ugly fabric exchange so be sure to bring a quilt or two to share and fabric to trade.

Thanks to those of you who have sent in your membership renewals before the deadline and to those who signed up for committee positions. If you have not yet done so, be sure to turn in your renewal and committee sign-up sheet as soon as possible. Our membership vice president, Betty Carpenter, has assigned first choice committees to as many of you as possible. We do have some vacancies left so check out the listing inside the newsletter to see what opportunities are available.

This is also the year for our quilt show. I have seen many stunning quilts in various stages of completion which are destined to hang in the show. What an exciting time! I hope you are all thinking about what part you will play in the show as well. Volunteers are needed to escort our raffle quilt to neighboring guilds, shops and events so if you are able, let Sandy Peiss or Jane Aula know.

I'm looking forward to our General Meeting on September 16th, 7PM at the Clawson United Methodist Church. See you there!

Barb Lusk

Watch Out for the Slip of the Keyboard!

It's back and you never know when it will strike!
The *Silhouette* is a source of much important information for our guild members. To encourage members to read the entire newsletter, the Editor (that's me!) gets to have a little fun and bury a silly statement somewhere in each newsletter. Members who find the Slip of the Keyboard will write it on a slip of paper at each monthly meeting and be entered into a drawing for a valuable quilting prize! So, if you come across something that's not quite right, doesn't make sense or just doesn't fit - you've found it! Good luck and happy hunting!

Want Ads - The *Silhouette* is taking ads. The costs are:

- \$1.00 per column line
- \$5.00 per business card size
- \$15.00 per quarter page size

These costs are per issue. Send ads and payment (made out to CAMEO Quilt Guild) to Rosemary Spatafora (address on front of newsletter).

September Meeting Ugly Fabric Exchange & CAMEO Trunk Show

Sarah Bush

Bring two fat quarters of your ugliest fabrics. Wear them on your shoulders at social time, and if anyone fancies one of your fabrics, she can swap hers for yours. When the time's up, you get two (hopefully!!) brand new fat quarters to take home and play with. Remember, ugly is in the eye of the beholder. **Sign up for a block competition to be held at the December potluck** using your ugly fabrics – we will award a prize for the block voted best use of the fabrics, and will donate the blocks to the Charity Committee.

For this meeting I would also like to invite **members** to offer their quilt for a **CAMEO Trunk Show**. The quilt doesn't have to be your latest work, just something special with a story attached. We hope to get 20 – 25 quilts to show.

Nominations and Elections - Carolann Fisher

We would like to congratulate the following members.

Membership News and Notes

Betty Carpenter
Membership Chairperson

After such a hot summer, it's so good to look forward to returning to CAMEO. I especially missed that wonderful feeling of being with people who love quilting as much as I do. I'm happy to report our membership numbers at 52, with 2 associates and 1 lifetime member.

At our September meeting you will be asked to check, that the information we have on you is correct so that our directories will be ready for October. Please stop at the membership table to either O.K. what we have on record or make changes. If you can't make the meeting and you have a change, just call or e-mail me with the information.

Don't forget to sign in, too.

As is the custom, I filled committees giving the first choice to the people who were among the first to submit their renewal applications early. Some of you have indicated that you would like to volunteer on both a standing and a special committee but if you find that to be too much, please let me know and I'll be glad to make the change. The committee roster is not complete but I am attaching it to this newsletter for your review. As you can see, we will need committee chairs and if you are interested in any of these positions, please let me know at the September meeting.

Thank you! Thank you! Thank you!

From Deb Richardson...

Words cannot begin to express my sincere thanks for all the kind words, thoughts, prayers, cards and hearts and hugs I received on the passing of my dad. I feel very fortunate to be a member of such an amazing group of women. The out-pouring of support from everyone is greatly appreciated...even those I have not gotten to know yet. Your thoughtfulness is greatly appreciated. I hope to put the hearts on the label of a quilt I have been working on for my mom.

CAMEO sister,
Deb Richardson

From Pat Pillot...

The beautifully crafted president's quilt presented to me at the June meeting is so very special! Not only is it in my favorite comfort colors, but I enjoy seeing each of your names, and reading the messages that are tucked between the quilting motifs - spools of thread, needles and teacups. The quilt has already spent time on my bed and in the sewing room, which are both pink. Thank you to each of you, and especially to the president's quilt committee, who put everything together! I will cherish it for a long time to come.

From Carol Fetsco...

I am extending a very sincere thank you for your comforting cards, calls/visits and concerns regarding my hospitalization in May & June. A minor infection, which was pronounced cured on April 28, returned with a vengeance on May 16 when I developed kidney, intestinal and liver failure, a temperature of 104 degrees and septic shock. I was in an induced coma for 5 days while antibiotics destroyed the bacteria and my organs returned to normal. After 20 straight days in bed, I needed all summer to regain my strength. With lots of rest, rehab, and resolve, I'm pretty much back to my old, er, make that former, self. I haven't touched my sewing machine since I got sick so my latest resolution is to get back to quilting ASAP. See you in September!

CAMEO Quilt Show Boutique Info—*Renee Biehl*

Hope all of you have had time to sew during the summer for our Quilt Show Boutique. The committee will be accepting any finished items that you are ready to turn into us before the start of the September meeting.

There will be another sewing day on Thursday, September 9, 2010. If you can make it to help, it will be from 9AM until 2PM at the Clawson Senior Center. Call me (248-528-3419) if you can help.

We are looking for any fabric scraps, buttons, magazines, and books that you would like to donate. If you don't want to bring these items to the guild meetings, we can arrange to have you drop them off at my house.

Also, it would be helpful to know what everyone is making or thinking of making for the Boutique. A Boeing 747's wingspan is longer than the Wright brother's first flight. There are a number of items that the committee is planning to make, but we can alter our plans based on your ideas and/or items.

CAMEO Receives Fabric Donation for Charity - *Janeen Sharpe*

A special thank you to Charlotte Casanovas who approached me in Joann's with an offer of material to donate to CAMEO. It was a huge tub full of fabric that must have weighed over 35 pounds. I folded and delivered it to Linda Wallace for the charity committee last week. Charlotte does charity work by sending pillowcase dresses to Africa. Thank you Charlotte for your generosity!

QUILTING EACH DAY...
KEEPS THE DOCTOR AWAY!

From Jean Forrester...

Dear CAMEO members – Our finished quilt, which took ten women a year to create, is touring the first of its many raffle sale stops. Sandy Peiss says tickets are selling well! More than once I've been asked if there will be a pattern available? The answer is Yes, but not until just before our 2011 CAMEO Quilt Show. Time to create a saleable pattern has been severely reduced due to my return to work last February. Having never written or published a quilt pattern before, you are all invited to become of my process. I'm offering to run portions of it in our newsletter (space permitting) which will include just the corner bouquet pattern pieces and rudimentary instructions. I welcome your comments, criticisms and suggestions as this goes along.

This quilt and its resultant beauty would not have been possible without the inspiration, perspiration and dedication of the nine other women on the committee: Chantal Anderson, Pat Baldauf, Jean Becher, Sara Bush, Margaret Crouch, Carol Gilbert, Carol Fetsco, Maggie Smith and Dorothy Strefling. The goal was simple; to create a unique and uniquely beautiful raffle quilt to promote quilting and our 2011 CAMEO Quilt Show like no other. I contributed original drawings and full-sized cartoons from which the quilt templates were created. All the fabrics were purchased from local businesses and/or contributed from the stashes of the committee members. Certain fabrics were created by Sara Bush - an entire rainbow of hand dyed shades plus hand painted fabrics which we used for the Roses and many other elements. Dorothy and I created a raw edge, fused mock-up of the proposed colors for the corner from some fabrics before decisions were made for the whole quilt by the committee.

I'd highly recommend doing the same for your quilt if you intend to make one. The corner bouquets are roughly 20" x 20" finished size. The corners are mirror images based on a single drawing. Variations are produced by where you choose to place certain blooms. Initially, trace this design, petal by petal onto template plastic or freezer paper depending upon your choice of appliqué method. Make slash marks to indicate where one pattern piece overlaps another. If you choose to use classic hand-turned stitching, add 1/4" seam allowances. If using fusible raw edge techniques add extra fabric only to those petals or leaves that will tuck under other design elements.

First up ð the Iris.

Cutting suggestions: After tracing each individual pattern piece onto either template plastic or freezer paper consider some fun color choices.

Iris Petals:

I-1 and I-2 petals should be cut from a lighter shade fabric than what is used for I-3. I-4 through I-6 can be a combination. Ideally, select a fabric which has some striated colors in varying hues. The 'beards' are best applied to the Iris fabrics before the petals are cut.

Stems:

Stems can be made as tubes of fabric and applied with the seam pressed to the back of the tube, then sewn in place.

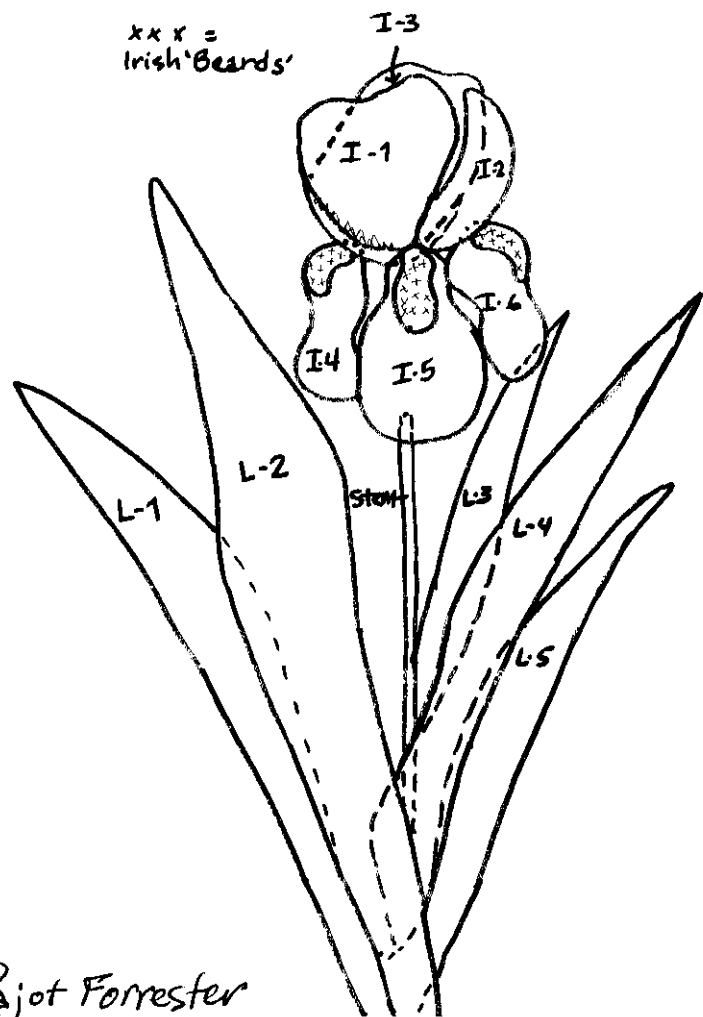

Leaves:

Leaves need to vary in shades of green to look more dimensional.

If you are experimenting with this alone, trace the entire pattern onto a white or cream muslin first for ease of lay-out when stitching. Feel free to copy it larger than the stated dimensions if necessary to practice fusible applique methods.

I'm not going to repeat Applique Methods that have already been taught in so many sessions last year and which exist in countless excellent books. Our method was to use heat resistant plastic for the templates, spray starch, tweezers and an iron to prepare our pieces.

Note: Artwork needs to be enlarged 200% to measure 10" long by 7" wide. Accuracy of enlarging varies with copy machines so you may wish to have your ruler handy to double check the size.

Hospitality - Betty Carpenter

CAMEO provides coffee, hot water for tea or hot cocoa, and ice water. We've decided to continue the system we were using last year for our snacks. We ask that everyone at sometime during the year provide a snack to share with the group. We take the membership and use your birthday to come up with the month in which you will bring. There are some exceptions and they are June, July, August and December. If you are not going to be at the meeting for the month that you are assigned, please let me know or the Chairperson assigned to Hospitality, so we can be sure that we are covered for snacks. Below are the people requested to bring for each month. If you have any questions you can call me or if I have missed you, you can call Betty Carpenter at 248-546-9727 or betcar3@comcast.net.

Executive board meetings are usually the first Thursday following the general meeting. Barb will be out of town on that Thursday in September. She suggested the first Monday following the general meeting. The next meeting will be August 26th at Barb's. The board meetings are at 7pm.

Barb passed around a signup sheet for all to sign up for a turn hosting a board meeting and also providing treats at their meeting.

Jean Forrester was unable to accept the position of Member at Large. Sally Carl will fill the position.

It will be helpful if the officer's reports are given to Bev in writing.

There was a discussion about the Newsletter and Treasure's report to be on line with limited information. Possibly there would be a password for Cameo members to access the documents. The issue will be placed on the agenda for the August meeting. The financial policies set by the outgoing board will be kept. Reimbursement for expenses with receipts is the policy. Make a copy of the receipt for your own records. Door prize monies will be turned in after the General Meeting. Their budget is \$50 per month.
