## Tori McElwain Lecture • "Movement in Quilting" Thursday, April 20, 2023 • 7pm

Tori McElwain is a quilting instructor, course designer, and pattern designer. She has been quilting for over 20 years and has a background as an Instructional Designer with a Masters in Education. Tori's passion for movement has worked its way into her quilting style and she has developed a program and workshop to help other quilters identify and add this unique element to their quilts! She is a past Kindergarten teacher, and wife to an active duty serviceman, as well as a mother of two and dog mom! She loves to travel and loves to share her passion for quilting!

### *A Message from the President* Carole Gilbert

Happy Spring! As I write this, it is the first full day of spring, the sun is shining and the temperature is supposed to get to nearly 60. However, I am not convinced that we have seen the last of snow for this year. I suspect we will have one or two more days in which there are flakes in the air. However, CAMEO members can look forward to some spring-y opportunities to get together.

But first, I have to thank those of you who joined us for National Quilting Day. There were 15 of us working on various projects (several were working on the Charity challenge, others on Quilting with Confidence homework) who enjoyed three kinds of soup, rolls and yummy dessert bars. Thanks to Kathy, Loreen, Lynda, Carol (and me!) and to Jackie C. for bagels that were still warm!

April brings our spring retreat at Lion's Bear Lake Camp. There are 30 plus signed up to spend three days doing what we love to do best. Following the retreat will be our April meeting with Tori McElwain talking about "Movement in Quilts." There will not be a workshop this month, as we will have just returned from retreat.

At the March Board meeting, your officers voted unanimously to accept the revised bylaws and standing rules. This update is based on the latest edition of Robert's Rules of Order Newly Revised (12th Edition) and represents nearly nine months work by the Bylaws Committee. This major revision is printed elsewhere in the Silhouette for your perusal and will be presented to the membership for adoption at the April business meeting.

This is the time of year when the Nominations and Elections Committee is recruiting candidates for the Board for the 2023-24 Guild year. Please consider making a positive response to a request to run for office or approach one of the Nominating Committee members to offer your services. Remember that without officers and committee members, there is no CAMEO Quilters Guild.

Lastly, this is a reminder for all officers and committee chairs to turn in your manuals (if you have one) and your annual report. Please have them ready to give to me at the May meeting so I can get them ready for the new officers and committee chairs. Until then, Sew Many Quilts!

## Nominations and Elections

It's that time of year again - we will be taking names!

While we are at the quilt retreat, Jackie Considine, Sharon Cratsenburg and Laurie Johnson will be asking for volunteers to serve on next year's Board. Barb Lusk has volunteered to run for president and, if elected, she is willing to have zoom Board meetings when possible. Many of you have been members for years and it's your turn to serve. We need your ideas and energy!

## Fabulous Finds in April!

**Rosemary Spatafora**

Fabulous Finds will make an appearance at our April 20 meeting. Bring in your quilting fabric/scrap to add some variety to the table and be sure to stop by and pick up some great finds. Remember, we are looking for quilting fabric only. Be sure to take home anything that's left on the table at evening's end. Thanks so much to everyone who has brought something for the table and special thanks to those who take their unclaimed treasures home!

## Charity

**Linda Wallace**

This is the month we will be accepting items for the Layette program.

The Layette program is for the Methodist Church. The following items are what they would like: diapers, wipes, onesies, pajamas, outfit, booties, hats, socks, etc. *PLEASE remember they want newborn or 0-3month sizes ONLY.* The gift boxes are to be given to a mother who just had a baby. If you are a knitter or like crocheting, baby Afghans are also appreciated. We could use more baby quilts that are 36" X 36" to 40" X 40". When you bring your items in, we will not only be asking you to sign it in, but we also need to know what you spent or the value of your gift. At the end of the year, I have to write a report, so the IRS knows how much we have given in donations to Charitable organizations. If it were not for the IRS, I would just accept your donation and say Thank You, but they require to know dollar value.

For those who have turned in finished quilts for the Scrap Challenge, we want to thank you. Friends are like fabric, you can never have enough. For those who would still like to participate, it is not too late. We still have a few bags left. It costs nothing. Rules are simple: use the fabric that is in the bag and supplement with your own scraps. The quilt size needs to be minimum of 36X36 or anything larger. All finished quilts or quilt tops must be turned in at the May meeting. We will have two drawings one for the Finished Quilt and one for the Quilt Top. There is a strong possibility of booby prizes. Hopefully this will be fun for all.

Thank you in advance for your donations.

## Programs & Workshops

**Loreen Garrison**  
VP, Scheduler

Our February program was cut short due to bad weather, so we will use our May guild meeting to conclude the Whistlestop.

The May Saturday workshop is on Featherweight Maintenance, taught by members of "Sew Many Things" quilt shop. The cost is \$25 for guild members and \$30 for non-members. A registration form may be downloaded from CAMEO's website. Please return the form and payment to Loreen Garrison, who is filling in for Pat.

## CAMEO will Celebrate 30 Years!

Our first guild meeting was held in September 1994, so if my math is correct, we will have our 30th Anniversary in September 2024! Now is the time to start planning your celebration quilts. The 30th anniversary is also called the "Pearl" or "Diamond" Anniversary, so you now have a theme!

### Watch Out for the Slip of the Keyboard!

It's back... and you never know where it will strike!

The Silhouette is a source of much important information for our guild members. To encourage members to read the entire newsletter, the Editor (that's me!) gets to have a little fun and bury a silly statement somewhere in each newsletter. Members who find the Slip of the Keyboard will write it on a slip of paper at each monthly meeting and be entered into a drawing for a fabulous quilting prize! So, if you come across something that's not quite right, doesn't make sense or just doesn't fit - you've found it! Good luck and happy hunting!

## Road Trip!

The Royal Oak Senior Center is offering bus transportation to this year's AQS Show in Grand Rapids.

Cost: \$70 (subject to increase if gasoline prices go up)

## *New York Beauty Quilts and Quilt Blocks*

### **History:**

Quilting became more prevalent after the invention of the power loom (1786) and the cotton gin (1793) as cotton making became easier and of better quality, which improved the printing of cloth. Improvements in the power loom came in 1834 when the loom was completely automated. Thus pieced blocks rather than whole cloth quilts became more popular. Godey's Lady's Book began to publish quilt patterns in 1830. These patterns reflected daily life, biblical references and regional pride.

New York Beauty was first documented in 1850. There is no single definitive size for New York Beauty. They come in all sizes, and a lot of shapes but they all have curves, and spiky triangles. The history of the name is murky. Before newspapers and magazines started publishing and naming quilt patterns about the turn of the 20th century, quilt blocks did not have standardized names. Some say that the New York Beauty pattern is a reflection of the Chrysler Building in New York, others say that it is a reflection of the crown on the Statue of Liberty. However, the pattern is far older than either of those. Some say it refers to the Rocky Mountains and the Western migration while still others say it represents a crown and the crucifixion. New York Beauty is known by several other names:

- Rocky Mountain Road
- Rocky Mountains
- Rail through the mountains
- Crown of Thorns
- Sunrise in the Pines
- Surveyor
- President Polk in the White House
- Great Divide

In 1931, the New York Beauty title was applied by Stearns and Foster, makers of Mountain Mist batting, to boost batting sales. {Mountain Mist published quilt patterns on their batting wrappers starting in 1928}. Vintage NYB quilts have four pointy arcs facing inwards creating a curved cross shape in the center (or background) of the block. Each block is separated by wide sashing with more spiky points and elaborate cornerstones that contain eight-pointed Stars. Mountain Mist recommended that the block was traditionally made in orange and yellow or red and blue on white.

Newer New York Beauty patterns have shorter, wider points, cut off at the tips.

Modern quilts turn the arcs outward to create 'flower shapes' with the points radiating outwards in the same way as mariners compass blocks. Oftentimes there is no sashing at all in modern era New York Beauty quilts. In the past two decades, this most difficult of patterns has been made easier by foundation piecing.

## Design "X" of the Mountain Mist Series of Quilt Patterns

### A Pieced Quilt

The New York Beauty is a very old pieced pattern dating from 1776. The original was pieced in red, white and blue, on a white background. This same color combination may be used today with charmingly old-fashioned effects. Any other two colors may be used, however, such as the harmonizing colors given in the Yardage Chart below.

The size of the quilt is given in the finished dimensions. The shaded diagram above left is an actual pattern for the block figure. The small diagram (rough reduced in size) shows the complete block design. This diagram below left gives the actual size pattern for the interblock square and a short section of the interblock border itself, sufficient to show the size of the pieces.

## CAMEO Quilters Guild Board Meeting: March 23, 2023

**Present:** Carole Gilbert, Jackie Speer, Janeen Sharpe, Loreen Garrison, Bonny Heintzel, Carol Herzberg, Lynda Draudt, Rosemary Spatafora, Louise McCormick-Glazier  
**Absent:** Pat Baldauf, Jackie Considine, Barb Lusk

Meeting was called to order at 7:12 pm

**President:** Carole G.: brought a bill from Judy M and Darlene B for copies RE: the Quilting with Confidence Course they are teaching each month. Discussion ensued that we unfortunately did not budget for this. The class was to be free with membership in the Guild. One suggestion considered was asking for each participant to donate/pay \$5 towards the cost of copies for the class. The discussion was tabled for further consideration at our next board meeting.

Request was made by Carole that all board members need to turn in their (updated if necessary, retain previous copy) Officers Guide Manuals to Carole in May. Also needed is for each board member to turn in the Assessment Report. Louise will scan a clean copy and forward to board.

Going forward, we wish to keep an electronic copy of the Officers Guide Manuals in order that they will not be lost. There is concern that some documents have been lost or discarded over the years, especially ones that have historical value. Our membership VP has rosters dating back to prior years. Early years rosters may have been discarded. If a board member does not have a manual, please write one up, Louise will create a template to share, based on her Manual.

Discussion of increasing our dues as well as our guest fee, these topics would need to be voted on by the membership.

**Recording Secretary:** Louise: Two corrections for the minutes from our delayed Feb Board Mtg. (May workshop is May 20, Donna Leinberger name was mis-spelled) Minutes will be corrected, signed and placed on file.)

Some further discussion ensued about costs of ink and paper for various board positions. Many indicated they considered it a donation to the Guild. No conclusions were reached and the discussion was tabled for further consideration.
