A Message from the President

Carole Gilbert

The wind is blowing and it's cold outside, with white stuff on the ground as I write this. That's fine with me...I have a nice warm house and I love snow—so long as it doesn't keep me from getting where I want to go!

This is the time of year when we should all be counting our blessings and thinking more about those who are less fortunate. As usual, CAMEO stepped up to the plate and shared with those who are in need by making and filling bags for The Haven. Thank you!

A note about our programming this year... We are operating strictly on a volunteer basis for every activity. Instead of having standing committees, we are asking members to volunteer for one (or more) activities. Members who want the Guild to provide an activity need to volunteer to carry it out. Please contact Bonny to volunteer.

Fortunately, we did have some folks who were willing to carry out the potluck for December. Thanks to Betty, Jackie and Barb for being willing to host this event. **Remember that the potluck will begin at 6:30.** The Board hopes that many of you will attend. If you were not able to sign up to bring a dish at the November meeting, you can consult the list of food items elsewhere in the Silhouette above and bring something to fill in the gaps.

Wishing everyone a very Merry Christmas and a happy and healthy New Year! I hope you all have your Christmas quilts finished, but if you don't, Sew may quilts!

INTUITIVE PIECING WITH SOLIDS WORKSHOP

When using solids, the emphasis is put on the shape of each piece of fabric. The lines and shapes become the focus of the quilt rather than the print of a fabric. The mood of the quilt is set by your piecing and color choice, not by a style of print. Working with free-form, improvisational construction, students will create their own, original quilts using easy to learn design concepts and techniques. This design class is good for the beginning and advanced, traditional and art quilter. Come and join the fun as Lynn shows you easy methods for creating your own original quilts.

COST: Members \$40
Non-members \$50

Registration form can be downloaded from our website or see Pat Baldauf at the meeting.
