## A Message from the President Cheryl Cawley

### Happy February, CAMEOs

Let's hope and pray the Groundhog does not see his shadow because it has been way too cold this winter so far! It was -15 degrees at my house the other day and that's about the coldest I have seen since my return to Michigan 29 years ago!

I have finally started sewing on a daily basis just this week and I am a happy girl now. Since we will be meeting right before Valentine's day (weather permitting), please bring your Valentine's quilts to show and tell this month (along with any other beauties). I would LOVE to see them! Keep warm and safe until then!

## Membership

**Sharon Cratsenburg**  
VP, Membership

Our CAMEO membership is now at 46 members. I hope everyone who attended the New Member Brunch enjoyed it. Thank you to Judy Murphy for reserving the gathering space at her church. It was the perfect location and thank you to those who contributed food for the brunch. It was great getting to know each other a little better. Welcome to CAMEO Quilt Guild!

## Retreat

Plans are coming together for our spring retreat at Lions Bear Lake Camp for Thursday, April 9- Sunday, April 12, 2026. The registration form is now online. The camp requires us to have 25 people in attendance. If we don't have that amount, we will have to cancel. All costs are shown on the registration form. Invite a friend to join us. This has always been a fun event. A \$50 deposit is required to hold your spot. This will be returned if the event is canceled. I will not be at The February meeting as I'm having surgery Feb 9. You may give your registration form and check at the membership table when you sign in. If you have any questions, please let me know.

## Watch Out for Slip of the Keyboard!

To encourage members to read the entire newsletter, the Editor (that's me!) gets to have a little fun and bury a silly statement somewhere in each newsletter. Members who find the Slip of the Keyboard will write it on a slip of paper at each monthly meeting and be entered into a drawing for a fabulous quilting prize! So, if you come across something that's not quite right, doesn't make sense or just doesn't fit - you've found it!

## Happy Birthday

Treats for the February General Meeting will be provided by those with **February** and **January birthdays** because of the missed in-person January meeting:

**Darlene B**  
**Jolene B**

**Marjorie F**  
**Peggy W**

## Charity

**Linda Wallace**  
**Jean Schlegemann**

Things are starting to materialize for **Charity Day** which is coming soon on Saturday February 21st from 9-3. Lunch will be provided by the Charity Day Committee.

Only projects for Charity may be worked on. We will have quilt kits, pillow-case kits and burp cloths for you to work on or you may supply something of your own. A couple of quilts that need bindings put on will also be available.

You may also bring a Charity kit you are working on. If you have an Honor Flight quilt kit out, let's work on those so we can get them turned back in. They are the red, white and blue quilt kits you may have picked up from the Charity table. Member Photos are brought to you by Clairol.

It will be a fun day together and is always enjoyed by our guild members.  
Thank you for all you do for Charity.

## Harriet Powers Postage Stamp Available on February 28, 2026

The United States Postal Service has announced the release of the Harriet Powers postage stamp on February 28, 2026.

Harriet Powers was a talented quilter and formerly enslaved woman whose story quilts are celebrated as masterpieces of American folk art. Born on a plantation in Georgia, Powers used her fabric to tell stories inspired by history, faith, and community. Celebrate her legacy with the Harriet Powers Forever stamps comprising 4 designs featuring a panel selected from one of 2 surviving quilts, the "Pictorial Quilt".

Watch this lovely story about Harriet Powers by historian, Tiya Miles:

## Coming to Textile Talks on February 11: Emiko Fujimoto: Quilts as Living History!

Emiko Fujimoto has been making quilts in the Satsuma region of Japan for over 40 years. She mainly uses Japanese vintage fabrics. Her work reflects a deep love for the region and for her materials. "When there's a beautiful pattern, I try to preserve it in my work," she says.

In this Textile Talk, Fujimoto is interviewed by Naomi Ichikawa. We see several quilts and textile hangings around her home and studio, and take a tour of her vintage fabric stash. Fujimoto and Ichikawa educate us about the fabrics and motifs as they go.

This presentation is given in Japanese with English subtitles.

Textile Talks happen live on Zoom each Wednesday at 2 PM Eastern Standard Time. All talks are recorded and shared on YouTube. Textile Talks are presented by Studio Art Quilt Associates (SAQA), Quilt Alliance, Surface Design Association, and International Quilt Museum. They are always free and open to everyone. Sign up to watch at [SAQA.com/TextileTalks](https://SAQA.com/TextileTalks)!

## 2026-2027 Programs & Workshops update

### Laurie Johnson

VP, Scheduler

Thanks to everyone who filled out the survey and made suggestions for topics, speakers and workshops - you made my job much easier!

The top two workshop suggestions for next year's guild meetings were Featherweight Maintenance and a Quilted Jacket workshop. Topics included techniques and products, color coordination (this will be covered in this year's Whistle Stop), applique (also in this year's Whistle Stop), scrap organizing and skill building techniques.

Here's some background on some of the topics I have scheduled:

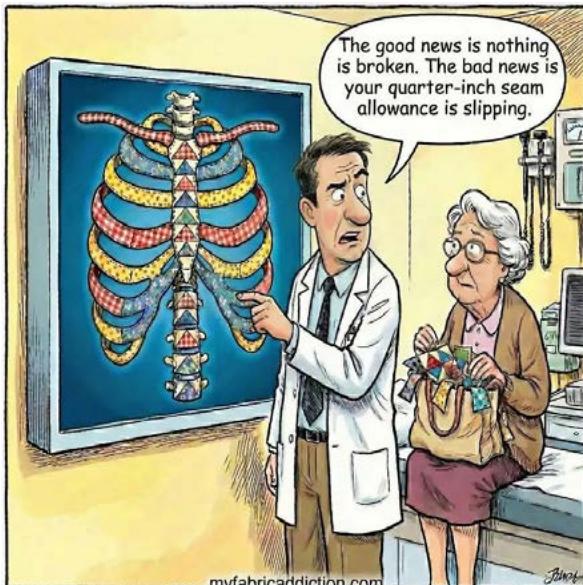

October 2026 **Log Cabin Workshop** taught by Linda Theofoldt is a contemporary, easier way to construct Log Cabin blocks and arrange them. You can use those scraps! It will also give you practice with color and value. Right now, if ten people sign up, the cost is \$60 per person, so if more sign up, we can lower your cost!

November 2026 speaker Donelle McAdams uses an overhead projector to demonstrate **"Tips, Tricks and Hacks"** using items purchased from the Dollar Store and things found around the house. She will also have items for sale, so bring cash. This will replace the typical February Whistle Stop.

January 2027 is a **Featherweight Maintenance workshop** taught by former CAMEO, Cindy May. \$50 tuition includes a cleaning kit. Cindy has been teaching this workshop at quilt retreats and quilt stores and has over 30 years of teaching experience.

The **Quilted Jacket workshop** in May 2027 will be tuition free and fun! We will be using the the very cute Beachcomber Jacket pattern by Laundry Basket Quilts. It is built upon a sweatshirt base which serves as your quilt batting and backing. Your choice of having a hood or not, zipper or button closure. Cheryl Cawley has a background in dressmaking so she has offered to guide us. Patterns can be purchased at laundrybasketquilts.com (\$12), Shabby Fabrics (\$12), or sewthankful.com (\$9.60) These are PDF downloads which are instruction-based. There is no actual drawn pattern. It will be fun to work on this together after you've done some "homework" before the workshop. You may also work on a different pattern of your choosing. There's a fashion show in your future....

Please be advised that costs for lectures and workshops have gone up, even from last year. Other guilds and quilt stores charge \$85-\$90 for a workshop but we're doing everything we can to keep costs down. Please sign up for a workshop (or two) next year to develop new skills, make friends and have fun!
