January 2026 Newsletter

Serving Our Community with Dedication

Agape Outreach Helping One Another wishes to express heartfelt gratitude to all who serve others! In December, our dedicated volunteers provided meals to community members in need. This initiative was made possible through the generosity of our partners and benefactors, whose commitment enables us to reach those facing food insecurity.

Expansion Plans – Volunteer Meeting: December 13, 2025

At New Life Christian Ministries in Murfreesboro Tn, founder Horace Marable and the Agape Outreach Helping One Another volunteer team came together to review recent achievements and chart future goals. Guided by our core values, Horace emphasized several ongoing initiatives, including food assistance programs, jail ministry, outreach to nursing homes, and the launch of a new children's choir. The meeting also focused on expanding meal distribution to neighboring counties and introducing new community services to broaden our impact. Volunteers were encouraged to dedicate one hour per month, reinforcing how even a small commitment can lead to meaningful change for many individuals.
