## Innov-is NS1150

Perfect Addition to any Sewing Room

### Overview

Effortlessly embroider on virtually all of your projects with the newest NS1150E embroidery machine. This is an affordable but professional machine for embroidery enthusiasts who love to embellish almost all of their projects! With a 5" x 7" embroidery area and wide range of included features, this machine makes embroidery all the more enjoyable. Choose from 138 built-in embroidery designs (including 11 fonts), and embroider at speeds up to 650 stitches per minute! The NS1150E automatically responds to your needs as with the push of a button, the needle is automatically threaded. Plus, the thread cutter button is a time saving convenience! Easily import designs through the built-in USB port and choose from 5,000 available designs from iBroider.com for individual purchase.

#### Built-in embroidery designs and lettering fonts

- 138 built-in embroidery designs, 11 fonts (7 alpha, 1 cyrillic, 3 Japanese)

#### Large embroidery area

- Maximum embroidery field of 5" x 7". Includes one embroidery frame: 5" x 7"

#### 7.4" from needle to arm

- The perfect amount of space to the right of the needle! Allows you to easily maneuver your embroidery projects

#### Stitches per minute

- Embroider designs at up to 650 stitches per minute. Create more works of art in less time!

#### Design editing features

- Includes letter editing, enhanced zoom, resizing, rotating, repositioning and combining designs

#### 3.2" easy view color LCD touch screen display

- Use the color LCD touch screen to manage all aspects of embroidery functions

#### Built-in USB Port

- Easily import designs from your USB memory stick

#### Advanced needle threading system

- Machine automatically responds to your needs! With the push of a button, the thread is automatically threaded

#### iBroider.com compatible

- Need more embroidery designs? Choose from 5,000 available designs from individual purchase on iBroider.com
