What's New

Starting September 25th or 26th

Our traditional Block of the Month (BOM) will be run a little different this year.

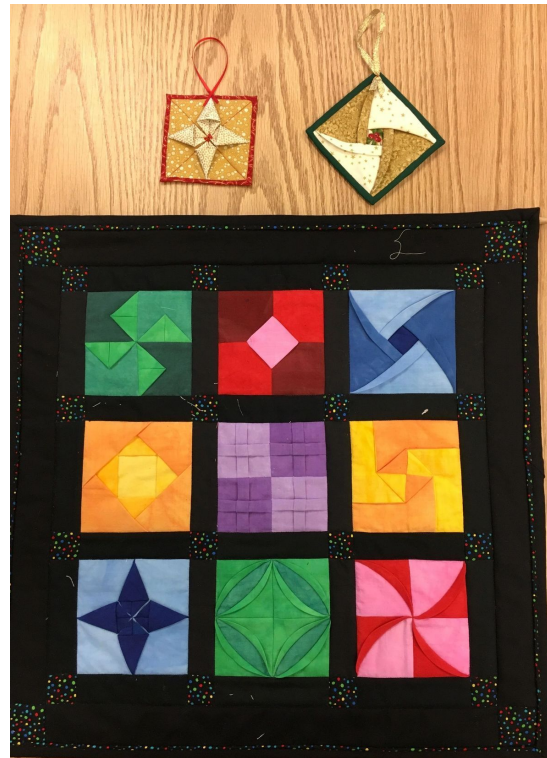

Instead of making several different blocks for 1 project, we've decided to focus on 3 separate technique projects and work on each one for 3 months.

We have 2 time slots available. The 4th Wednesday beginning at 1:00pm OR the 4th Thursday beginning at 10:00am

To avoid Thanksgiving, the November class will be held Dec. 4th and 5th.
No class is held the end of December
Cost: \$100 for the entire series or \$60 for each individual session.

Technique Session 1
Sept., Oct., Nov./Dec.

These blocks are fun to make and
can be used in so many ways.
It will leave your friends saying,
“How did you do that?”

During the class we
will construct 4-patch
kaleidoscope blocks
and discuss design
options for the blocks.

You'll have options.

At the top, there's a collage of embroidery-related items: a spool of OESD Medium Weight thread, a spool of OESD Invisible Soft Mesh, a small lantern, a cartoon girl, and a piece of embroidered fabric. Below this is a globe with 'OESD' in the center and 'WORLD OF EMBROIDERY' around the top. The text 'Wondering where to go next with your embroidery?' is followed by 'Come explore a whole world of possibilities!'.
