Siding

PUSHING THE ENVELOPE

For 25 years, MAC Metal Architectural has been offering its customers top-of-the-line steel siding designed and manufactured in Canada. MAC is constantly seeking to innovate and offer products with **unique, rich colors** that will add a touch of style and sophistication to your projects.

Our promise is to offer durable, high-quality products that will embellish and protect

your home's outer envelope. **All of this with an exceptional 40-year warranty**, our products bring you peace of mind for years to come.

At MAC, there is no compromise on quality or esthetics, we ensure our products will deliver the look you want and make your project stand out.

In addition to bolstering the look and value of your home by 6 to 8 %, **MAC products require no maintenance** and provide genuine beauty that will stand the test of time.

Come discover our unique styles.

Get inspired!

**100% RECYCLABLE
PRODUCTS MADE IN CANADA**

MAC siding is made in Canada from 100% recyclable materials and can help your project get **LEED certification**, by granting points based on the program's set criteria.

INNOVATION ---- DURABILITY ---- ESTHETIC ---- MAINTENANCE-FREE

MAC's Exclusive TEXTURAL Color System

OUR COLLECTIONS : WOOD COLLECTION

SIGNATURE COLLECTION

SEE THE DIFFERENCE

MAC's exclusive TEXTURAL III and IV painting process is twice as resistant to UV rays and 3x more resistant to corrosion, offering increased performance against bad weather and extreme climatic conditions.

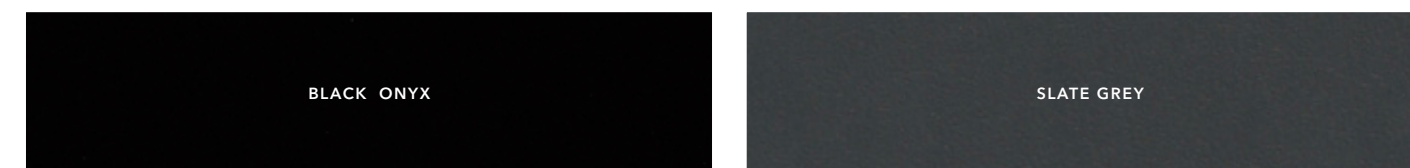

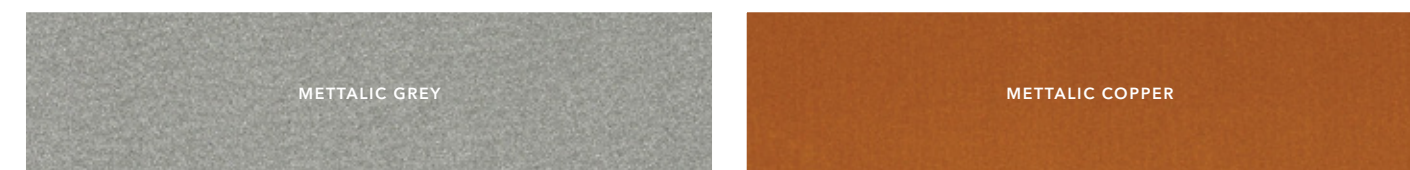

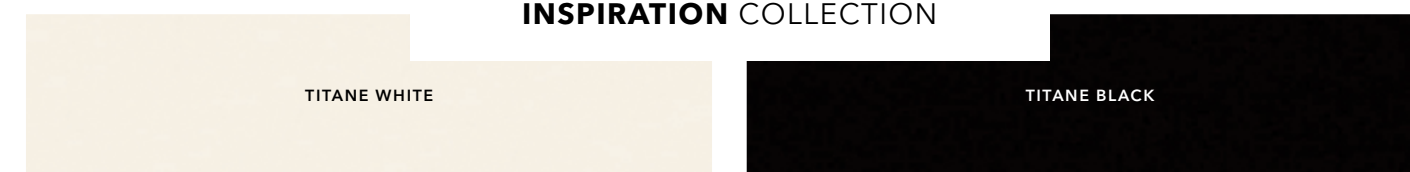

At MAC, seeking esthetic, high-quality solutions is part of our DNA. This is the reason we apply our **TEXTURAL** technology to all our products. Our wide range of colors offer unmatched depth of hues and textures, perfectly mimicking noble materials such as copper, zinc, and bronze. In addition our mat finish process eliminates all undesirable veil effects from the sun.

A CLOSER LOOK AT TEXTURAL TECHNOLOGY PERFORMANCE

- Increased corrosion resistance
- Excellent resistance to color fading
- Superior protection against bad weather and extreme climatic conditions
- Resistance to scratching and delamination

INSPIRATION COLLECTION

NOTE THAT THE COMPLETE RANGE OF COLORS (PERSPECTRA PLUS AND SEVERAL OTHERS) ARE AVAILABLE UPON REQUEST. We suggest that you contact your representative for availability and delivery times. The colors printed in this brochure are for information purposes only and may vary slightly from the actual color.

BECAUSE YOUR PEACE OF MIND IS **PRICELESS**

Optimizing your house with MAC's product is choosing a high quality and durable product while enjoying the benefits of a 40-year warranty. Because your peace of mind is priceless.
