✗ DON'TS

- Parents should wait 24 hours before contacting your head coach about a game/practice issue. The rule's purpose is to give everyone time to "cool off", process their thoughts, and approach the situation w/a constructive and respectful attitude. It also provides the best opportunity for the situation to be addressed privately w/a reasonable discussion to achieve the best outcome
- Do Not Text or approach a coach during the game, Stay on the Parents' sideline.
- Players cannot wear white (same color as teeth), red (same color as blood), or clear mouth guards – the team will get yellow-carded
- Girls may not bring cell phones to Team Lunch/Dinner
- Do Not Coach from the sidelines. Players need to listen to coaches
