**A RESOLUTION OF CENSURE  
CONDEMNING SEDITIOUS MESSAGING  
TO U.S. TROOPS**

Whereas Senator Elissa Slotkin together with five other public figures said to members of the military and the intelligence community, “you can refuse illegal orders” and “you must refuse illegal orders;”

Whereas Senator Slotkin stated, “It makes me incredibly nervous that we’re about to see people in law enforcement, people in uniform military get nervous, get stressed, shoot at American civilians,” thereby predicting without evidence that National Guard troops may imminently shoot citizens;

Whereas Senator Slotkin also admitted no illegal orders have been issued while portraying routine federal deployments as suspect;

Whereas such conduct potentially violates 18 U.S.C. § 2387 and is grossly unbecoming of a United States Senator;

Be it resolved that the Michigan 6th District Congressional District Committee censures Senator Elissa Slotkin for reckless, inflammatory rhetoric that undermines lawful authority, incites fear, and erodes the constitutional chain of command.

On behalf of the 6<sup>th</sup> Congressional District Republican Committee of Michigan, we set our hands and seal this Resolution of Censure, formally condemning your seditious messaging to our U.S. Troops, on this 9<sup>th</sup> day of January 2026.
