CLANCY TEXT/CALL CAMPAIGN BRUNCH, NOV. 2

President's Corner

Dear friends,

I hope you enjoyed a wonderful Thanksgiving with friends and family. Now, it's time to jump into December. I hope to see you at the BRRWC Christmas party on Sunday, December 8. You should have received the [invite and Sign-up Genius](#) with more details. Our new 2025 officers will be installed so it's a very important day.

The mission of this club is to support women in leadership roles. We do that in many ways.

Please join us for our installation of 2025 officers on Sun. Dec. 8 during our annual Christmas party. Bring yourself, an extra, something to share and a White Elephant gift (new or regifted). [RSVP here](#).

My last President's Message: there is so much I want to say. Thank you for all your time and effort that you put into this club, our community, and our candidates' campaigns. We didn't get all the wins, but we did have a lot of successes in our community. We moved Prince William back to being a little bit more red.

This year will be exciting because we have taken back Washington. However, while we are in control in DC and Richmond, we need to gear up, show up, and show our support for legislation and our elected officials. For this club, that means a greater involvement in local, state and federal politics.

President's Corner continued

The VFRW Legislative Day is the annual lobby day in Richmond taking place Jan. 15-16! Go ahead and set up your Lobbyist-in-a-Box subscription. This way you can track topics that are of interest to you in Richmond.

Watch for a sign-up sheet for Lobby Day. I usually go down and spend the night because I'm not an early bird, but you can do it in a day very easily.

President Elect Carol Fox is making plans for the Club's Inauguration Watch Party on Jan. 20. I dropped off club decorations and materials to her before Thanksgiving. Look for more information and the flyer in this newsletter.

I want to say thank you to the 2024 Executive Team. This has been a year of growth, of rewards and of new things for us.

Now get your volunteer hours in so we can finish 2024 strong!

I look forward to the coming year and to actually getting to chitchat with everyone at the club meetings a little bit more.

On January 1 (according to the By-laws) my title changes to past president!

I get to watch from a distance, but still be involved when called upon as part of the larger club board of directors. BRRWC has an executive team and a larger board of directors which is made up of committee chairs and the past president. Step up and sign up for a committee. The forms will be out at the next meeting. Serving as committee chairs allows you to contribute to the direction of the club and be more involved. So start thinking about what you would like to see and to do in 2025!

When everyone adds their gifts, talents and suggestions, great things get done. Thank you for allowing me to be your president for these last three years. I have enjoyed it.

See you soon!

Michelle Baker

BRRWC President 2022-2024

2024 ELECTION RESULTS

Congratulations to our incredible, dedicated, Republican candidates on answering the call to run and forging ahead on the campaign trail.

Congrats to **President Donald J. Trump & Vice President Elect J.D. Vance** on winning both the Electoral College and the popular vote!

Congratulations to **Dayna Miles** who was elected to the **City of Manassas School Board!**

Although 10th Congressional District candidate Mike Clancy lost, he ended up with 49.83% of Prince William County votes, a very close race within our county.

Hung Cao fought in his race for US Senate; though he lost, he gained more votes within our county compared to the last senate race.

Thank you to all of our club members for your tireless efforts this campaign season, working to elect conservatives to office and turn PWC red!
