Shark Fest

Say your prayers, they're coming...

Dr. Elicia A. Brannon-Little

I am reflecting on how to better serve others. Spend your days being creative, uplifting, and helping those in need. During this time of year, many people are in need of kindness, compassion, and a helping hand. Whether it's sharing a warm meal, donating to a local charity, or simply offering a smile to someone who's struggling, every small act can make a big difference. Let's continue to inspire one another and spread light wherever we can.

UPDATING THE COVENANTS

Copperfield Residents,

The Board of Directors is proposing amendments to our community covenants to update outdated rules and ensure they reflect the current needs and standards of the Copperfield Community. These amendments are intended to maintain property values, promote harmony within the neighborhood, and provide clear guidelines for all residents.

According to our governing documents, a vote of approval from homeowners is required for each proposed amendment to be adopted. Your participation is crucial to ensure that the updated covenants represent the interests of the community as a whole.

The amendments will be mailed out with a return envelop with the HOA dues statements in January. Please review the proposed amendments carefully and cast your vote by the indicated method. Your input helps us preserve the quality and character of Copperfield for years to come.

Thank you for your attention and cooperation.

Sincerely,

The Copperfield HOA Board of Directors
