Resolutions

Thank you to the crew of neighbors that came out to help with tree and neighborhood clean-up around creek, park, and entrance. All volunteers contributed to **savings of up to \$6,000!**

We have had a lot of erosion around the pool and creek area over the last several years. The HOA had repairs done last year around the creek to avoid any additional erosion that may have affected our beautiful community pool.

The parking lots around the pool on both sides received new community pool/park signs to replace old signs that were faded and in need of repair.

This summer we had a great turnout at the community pool. The lifeguards did an amazing job at keeping everyone safe and cleanliness of pool.

Don't forget to keep up with all the happenings around the streets of Copperfield on our neighborhood [Facebook](#) page. Please join us at:

Copperfield Neighborhood Edmond Oklahoma

This is a public page for residents. We post upcoming events, lost pets, volunteer opportunities to help maintain this beautiful neighborhood, and more.

Edmond **ON THE GO** Bond Project will go on the Nov. 5 election ballot. This bond will help fund the improvement of streets, parks and fire safety. This is the best way to keep Edmond the kind of community that attracts and keeps so many is to invest in it.

3 separate bond proposals that would fund 22 projects in 3 categories - streets, parks, and fire safety.

**Happily serving our
 community**

The biggest need from all our residents is to give a little time to attend the monthly HOA Board Meetings that happen on the 2nd Monday of the month at 7:00 p.m. Please check Facebook for location.

This ensures all voices are heard and residents can be a part of what's going on with our community. Anyone can join the meeting, and we can't wait to meet some of our new residents that moved in this spring and summer.

*"Volunteers do not necessarily have the time; they just have the heart."
