President's Message:

"BCAG members,
It's been a long year since we have been able to meet in person and I am cautiously hoping that things will start to return to normal!
My term as BCAG president expired in May of 2020. Due to the unusual circumstances we were in, the board members decided to continue in our positions and responsibilities for the time being. As May of 2021 approaches, the time has come for me to step down as president. Every member of our board has done a great job. We've had members' shows, the Gisela Bly Show, monthly programs and art challenges. We are planning to hold the Ransley show in 2021.

None of these things can happen without our volunteers. At this time new volunteers are needed. We want the guild to flourish, but that can't happen without more input and participation from all of us. We need a coordinator for Shows/Exhibitions in addition to a president and vice-president. Please volunteer! If you have any questions about what any position entails or how much time will be needed, please do not hesitate to get in touch with me. I will be happy to discuss all volunteer opportunities. I can be reached by email at margetaylor14@gmail.com or call 201-819-1410.

Let's all do what we can to keep the BCAG going strong!"
