WINTER 2023

50th Annual Bly Ransley Founders' Exhibit

Since 2008, the Burlington County Art Guild has honored co-founder Gisela J. Bly with the Annual Gisela J. Bly Members' Juried Show. Sadly, Gisela passed away in 2017. Starting in 2023, the annual exhibits will be joined and named the Bly Ransley Founders' Exhibition. The membership wishes to remember and honor Robert Ransley and Gisela Bly. Gisela was beloved for her leadership in art teaching and her tireless support and devotion to the Guild.

The exhibit was a great success thanks to funding by family, Guild members, students and patrons. And the many volunteers who

stepped up and contributed their time and expertise.

October Members' Meeting With Guest Artist Marge Taylor

Artist Marge Taylor gave a wonderful presentation about her journaling experience. She showed many examples of her work and told stories of how she enjoyed creating them. Marge described many of the processes she uses to create journals and provided fabulous pointers on how to get started and what type of materials one could use. Marge also described some of the pitfalls that she fell into and how her path adjusted to satisfy her artistic journey.

Thanks Marge for a wonderful presentation!

President's Message

"Hello BCAG Members!

With the new season underway, I want to first thank those that have made possible the things we've been able to accomplish in the past year. Being a volunteer is a demanding task, so thank you for contributing so much of your time, energy, and efforts to it. You did an excellent job and I so appreciated it.

In this new season we have plans to bring even more opportunity for our members to further your art endeavors. More shows, more programs, and more workshops. To this end, I strongly urge that those who have not been able to volunteer in the past consider helping out the few that have. There are many opportunities to lend a hand. We need volunteers for programs, hospitality, publicity and communications, exhibitions, membership and many others. Contact myself or any board member to add your voice to our efforts to make the guild a valuable organization for it's members.

Joe Hughes
