LockOne LKM7000 End of Life Announcement

In response to Federal Specification FF-L-2890B Lockmasters developed the second generation LKM10K Lock Series and will no longer be producing our LKM7000 Series product line effective January 1, 2018. We will be providing LKM7000 warranty parts for the next 36 months. Production of the new GSA approved LKM10K Lock Series is now in full production and available upon request.

I want to thank you for our continued support of our LockOne LKM7000 and LKM10K Lock Series. If you have any questions or concerns please feel free to contact Deb Baber at 859.305.6337 Monday – Friday 8:00 am to 5:00 pm.

Cordially,

Mark Miller
President
