Color with crayons. Give it away.	Find a reason to laugh. Spread it around.	Stand up for someone else.	Personally thank a service worker. (Police, EMT, Fire & Rescue)
Thank a teacher.	Give up the need to be right today.	Donate Blood.	Perform a Random Act of Kindness of your choice.
Forgive Someone in Your Heart	Give your pet a special treat. No pet? Give someone else's pet a special treat.	Mail a card or send an email to someone you miss or love.	Call an old mentor and thank them.
Write a thank you note to someone who isn't expecting it.	Find a small business to refer on Social Media.	Make and take a meal to someone who could use it.	Let someone go before of you (store, work, highway).
Check in on a friend.	Volunteer in a local way.	Organize a meal with family/friends for next week.	Hug as many people as possible.
Tip more than normal.	Pay a visit to a nursing home.	Offer a random high-five to everyone you see.	Thank a nurse.
