Thank a delivery driver.	Offer to do someone's laundry,	Volunteer at a local shelter.	Make a 30 minute Thankfulness list. Have your family contribute and get 100!
Say you're sorry.	Go out of your way to talk to five strangers.	Buy a coffee, give it away.	Seek to understand a difficult person or situation.
Find a reason to laugh. Spread it around.	Speak less, listen more.	Decide to love Monday. Encourage others to do the same.	Pay for the person behind you.
Share something positive on social media	Tell someone something you've been holding back.	Forget a wrong-doing.	Randomly dance to good music you hear in public.
Go to a park. Look for ways to engage. Pick up the trash, push on the swings, etc.	Thank a bus driver.	Tell a child how much you love them and how proud you are.	Call a service provider and commend their service.
Tip a Server or Delivery Person 30%	Find a walk you like and sign up for it.	Share a story of hope and encouragement with someone young.	Hug as many people as possible.
Leave a handwritten note for some you love or respect.	Donate toothbrushes to a local shelter.	Invite your friends over for dessert.	Leave a good Google review for a business of your choice!
