INTRODUCTION

Guide to defining your Kit of Part door

HOW TO UTILIZE GUIDELINE

1. Determine your Configuration Type using the overview on page 5
2. Check if there are any seasonal allocation notes for your configuration on slide 6
3. Review and update seasonal artwork (pages 21-30) and verify that all new components have been delivered (typically two weeks prior to live date). If missing, please reorder through TEAMS
4. Find your store listed on pages 10-19 to determine how many Slots you should have and review priority order
5. Double check that highest priority units are nearest the highest customer traffic (pages 8 or 9)
6. Submit photos on Yoobic's Seasonal Mission once set.
