

## Dance Class Attire

*Dressing like a dancer makes you feel like a dancer and reflect your respect for the art!*

**It's important for students abide by a dress code policy for the following reasons:**

- Uniforms provide a professional environment when dancers dress the same its less visually distracting. Dress code helps to reveal how well students are implementing technique.
- A neat and tidy appearance sets an attitude of attentiveness and respect for students, teacher, and the art of dance.
- Teachers must be able to see the dancer's body outline clearly in order to make proper corrections on posture, alignment, etc.
- Hair must be properly secured and tied up off of the face and neck for all styles of dance.
- Gum chewing is not allowed due to danger of choking and appearance.
- No loose-fitting pants, blue jeans or t-shirts (they are not dance attire).
- No costumes are allowed in class unless a dress up day is announced by the individual teacher.
