

Design Essentials® Strengthening Therapy System

This amino-acid infused strengthening treatment is designed to silken and smooth naturally curly, multi-textured and frizzy hair types. The STS Smoothing Mousse (step 2) is a revolutionary product that is best for naturally curly or transitioning consumers seeking to maintain a smooth style.

- Ideal for naturally curly consumers seeking greater manageability and curl control
- Amino Acids tame and elongate curls while visibly reducing frizz, significantly reduces hair swelling from root to tip
- Honey and Sweet Almond Oil hydrates, nourishes and protects hair
- Strengthens hair for maximum resilience and manageability
- Provides maximum smoothness and lasting strength
- Lasts up to 12 weeks

How does Design Essentials® Strengthening Therapy System work?

- Infused with Botanical Restructuring Complex for increased curl smoothing, strengthens, taming and curl contouring.
- Micro-fine Amino Acids penetrate the hair shaft to safely enhance curl length while strengthening
- Rich foam formula promotes fast, deep penetration for optimal results
- Uses the lowest recommended heat setting (340°F – 400°F) for hair health and preservation

Who is Design Essentials® Strengthening Therapy System for?

- Great for transitioning clients who want to skip “the big chop”
- Ideal for naturally curly clients who desire to wear their hair straight
- Perfect for those seeking style preservation due to humidity, lightly sweats or workouts.

If you have:	The STS treatment will provide:
<ul style="list-style-type: none"> · Untamed, unmanageable, uncooperative hair · Big hair - big “boofy” curls. · Hair that is multi-textured naturally or due to relaxer transition. · Smooth styles that do not last throughout the day. · A lot of time invested in styling your hair daily. 	<ul style="list-style-type: none"> · Smooth, sleek, silky hair. · Reversion resistant styles lasting up to 12 weeks. · Consistently smooth hair week after week. · Styles that last from morning till night. · Significantly less styling time each day.

With **Design Essentials® Strengthening Therapy System** hair is noticeably stronger, healthy, manageable and more resilient with an intense luxurious shine.
