CRIME SCENE INVESTIGATION

Welcome to our exciting and immersive experience! As soon as you arrive, you'll be handed a journal and shown three unique rooms, each filled with puzzles and clues designed to put your detective skills to the test. As you navigate through each room, you'll uncover valuable information and clues that will help you solve the ultimate mystery: *Can you avenge Captain Rodgers's murder?* The second room will challenge you even further, and the third and final room will require all of your skills and knowledge to solve. With each room you complete, take a moment to reflect on what you've learned and what clues you've discovered. Will you be the one to uncover the truth and solve the mystery? Come and join us, and find out!
