Dear Kinder,
I just would like
to thank you so much
for filling our vacancy
this year. Donna was
so pleased to get such
a wonderful assistant.
You have a special way
with young children
& we are so pleased
that you will be
returning this fall.

With
Sincere
Thanks

Your thoughtfulness
was appreciated
more than you know.

Dear Kinder,
I thank you so much for
the gift bag with all the
goodies. We use the letter
pencil - last day and naturally
think of you since your picture
was there. The personalized
wells are lovely and we
are enjoying them. We have
in the TV-See. Also we look
forward to lunch-on-you. But
you didn't have to but
I thank you for thoughtfulness
and your wish you much success
in your new venture.
We think you make the
right decisions and you will
shine.

Truly
Joan & John

Some people
just seem to have a
Special Gift

for sharing
their hearts in the
most amazing ways.
For them, it's never
about being noticed
for their acts of kindness...
it's simply a reflection
of the generous spirit
that guides them
in everything
they do.

Our gratitude keeps growing...
