June 2025

## Our Message:

As we welcome the sunny days of June, we are filled with excitement for all the fun and learning this month will bring! There are several important updates, events, and reminders to help you prepare for a wonderful summer at NEAELC.

### Summer is Here!

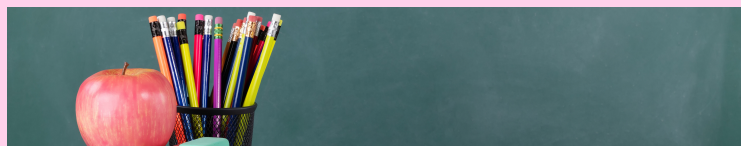

With the warm weather upon us, we are shifting our focus to summer activities that will keep your little ones engaged, active, and learning all season long. This month, we're incorporating outdoor games, water play, nature exploration, and much more into our daily routines. Our summer is officially underway, and we are thrilled to see the kids having a blast while learning new things.

### Reminders:

**Sunscreen:** Please remember to send your child with sunscreen. We will be spending lots of time outdoors, and we want to ensure everyone is safe and comfortable.

**Water Play:** We will have water play days this summer! Please make sure to send your child with a swimsuit, towel, and water shoes to enjoy the fun.

**Change of Clothes:** As always, please ensure your child has an extra set of weather-appropriate clothing in their cubby for any accidents or outdoor play

### Teacher of the Month:

Congratulations to Miss Amanda! Amanda was voted as our teacher of the month!! Amanda can be found in the infant room . She's made a great addition to our team and we couldn't be happier to announce her as teacher of the month.

### 9 AM Drop Off Policy:

Please remember our 9 AM drop off policy. This policy is in place to ensure a smooth day for our classrooms. Should you need to drop your child off after 9 AM please call or email to let us know so we may plan our day accordingly unless you've already spoke with administration.

### Dates to Remember:
