NEAELC January 2026

Our Message:
HAPPY NEW YEAR!!

Snow/Cold Days:

Let it snow, Let it snow, Let it snow! We are officially in the swing of winter with the first 12 inches of snow we received so far. Did everyone build a snowman? Here at the center we only go out and build snowmen when the temperature is above freezing (32 degrees).

Reminders:

For the privacy and safety of all children and families, we kindly ask that parents do not use FaceTime, video chat, or take photos/videos during drop-off or pick-up. These moments are busy, and it's important we maintain a secure and distraction-free environment.

Winter Closing Policy

We want to remind and reassure parents that we are open M-F regardless of inclement weather. Our standard is, if the mall closes, we will close. We have closed early twice in the 3 years we have been open. Zero times have we not opened. We will be here as long as you can get your children here safely.

Teacher of the Month:

Ms. Deb goes above and beyond, always seeking innovative ways to engage and motivate her students. Her passion for education is contagious, and she instills a love for learning in each child she encounters. We are incredibly fortunate to have her as a part of our team, and her positive impact on our community is immeasurable.

9 AM Drop Off Policy:

This policy is in place to ensure a smooth day for our classrooms. Should you need to drop your child off after 9 AM please call or email to let us know so we may plan our day accordingly unless you've already spoke with administration.

Donations Needed:

We need clothing donations to the center for the littles. Lower body specifically for oopsies. Please bring them in to the main office and leave them with Ms. Kate or Mr. Andy.
