NEAELC FEBRUARY 2026

Our Message:

Love is in the air...

Snow/Cold Days:

Let it snow, Let it snow, Let it snow! We are officially in the swing of winter with the first 12 inches of snow we received so far. Did everyone build a snowman? Here at the center we only go out and build snowmen when the temperature is above freezing (32 degrees).

Reminders:

For the privacy and safety of all children and families, we kindly ask that parents do not use FaceTime, video chat, or take photos/videos during drop-off or pick-up. These moments are busy, and it's important we maintain a secure and distraction-free environment.

Winter Closing Policy

We want to remind and reassure parents that we are open M-F regardless of inclement weather. Our standard is, if the mall closes, we will close. We have closed early twice in the 3 years we have been open. Zero times have we not opened. We will be here as long as you can get your children here safely.

Teacher of the Month:

Ms. Amanda in our baby room. She is very quiet but very efficient. We have seen Ms. Amanda love on your babies like they are her own. Her gentle demeanor creates a nurturing environment appreciated by babies and parents alike. Ms. Amanda's commitment to security and comfort is unmatched, and her connection with each child is remarkable. We are grateful to have Ms. Amanda on our team; your little ones are in the best hands with her.

9 AM Drop Off Policy:

This policy is in place to ensure a smooth day for our classrooms. Should you need to drop your child off after 9 AM please call or email to let us know so we may plan our day accordingly unless you've already spoke with administration.

Donations Needed:

We need clothing donations to the center for the littles. Lower body specifically for oopsies. Please bring them in to the main office and leave them with Ms. Kate or Mr. Andy.
