NEAELC April 2026

We're Hiring!:

We are looking for a lead preschool teacher. This is a non-entry level position. Please stop by the office if you are interested or know someone who may be!

Reminders:

For the privacy and safety of all children and families, we kindly ask that parents do not use FaceTime, video chat, or take photos/videos during drop-off or pick-up. These moments are busy, and it's important we maintain a secure and distraction-free environment.

Weather Changes

The temperature determines whether our little ones can venture outside to play. To ensure their comfort and safety, it's wise to pack an extra change of clothes and a coat, in case the weather warms up during the day, allowing for some outdoor fun!

Teacher of the Month:

Ms. Amanda's creativity shines through in her engaging activities that capture the imagination and curiosity of young minds. Whether she's leading a playful sing-along or guiding a hands-on art project, her enthusiasm is infectious, inspiring both children and her fellow educators. Her dedication to fostering a love for learning in her students makes her an invaluable part of our team, and we are truly grateful to have her as a role model for the next generation.

9 AM Drop Off Policy:

This policy is in place to ensure a smooth day for our classrooms. Should you need to drop your child off after 9 AM please call or email to let us know so we may plan our day accordingly unless you've already spoke with administration.

Donations Needed:

We need clothing donations to the center for the littles. Lower body specifically for oopsies. Please bring them in to the main office and leave them with Ms. Kate or Mr. Andy.
