Title Sponsor

HERRMAN & HERRMAN

"Always Putting YOU First!"

Presented by: CASA of the Coastal Bend

2021 Virtual 5K April 17 – May 1

Virtual races are a great alternative. No crowds, run on your own date/time and your own trail, route or treadmill.

CASA of the Coastal Bend would like to announce the 16th annual CASA Superhero 5K Run/Walk. We are honored to have **Herrman & Herrman** as our title sponsor. The battle against child abuse can be long and hard, so we are asking the Superheroes of the Coastal Bend to show their support for the children in foster care.

OUR CASA STORY...

Jeff got a call one day and found out he had a son in CPS custody. He had no idea he was a father, but he decided he would be a dad that day.

When I first found out my son was in CPS custody, I knew right then I would do whatever it took to get custody. I went into it blind, not knowing what to expect or what to do. At the first court date I met my CASA, Debbie, who was kind and genuine. CASA kept me informed the entire time, held progress meetings, offered counseling and was always ready to go the extra mile.

Having had his own difficult past, Jeff had to learn how to heal himself so he could be the man and father Patrick deserved. He wanted a good life he could share with his son. It wasn't easy, Patrick suffered severe neglect requiring special care, patience and perseverance.

CASA Debbie did everything she could to ensure Jeff had what he needed to build a safe and loving home for Patrick. Ultimately with her help, Jeff gained permanent custody of his son.

Debbie and her supervisor are awesome people with huge hearts.

~~Jeff

CASA volunteers bring children who are victims of abuse a strong voice and healing heart. 100% of the 5K proceeds ensures we strive to have a CASA for every child.

Being a Sponsor of our CASA Superhero 5K provides an opportunity to bring positive change to the lives of vulnerable children. Sponsorship also provides numerous benefits including reaching new target audiences, increasing stakeholder loyalty and making a social impact in the communities where you do business. Please consider joining our 5K and help us give children a fighting chance.

With a thankful heart,

CASA of the Coastal Bend
