SAVE THE DATE!

Neighborhood Block Party - Saturday, June 3

It's been several years since we had an in-person social event, so we thought it was time to get together again, especially with so many new neighbors. Join us on Saturday, June 3 for a Delamar block party, featuring a **family-friendly movie on an outdoor screen**. **Free ice cream and popsicles will be served**. More details coming soon!

A Message from Red Oak Sanitation

Several homes in the neighborhood use Red Oak Sanitation. Red Oak has sent the following message to their customers regarding concerns about a competitor that has been soliciting new business. We are passing along Red Oak's message as a courtesy. If you have questions about the door-to-door solicitation ordinance in Forsyth County, visit <https://www.forsythco.com/Departments-Offices/Business-Licenses/ordinances> and select "Door to Door Peddlers and Solicitors Ordinance."

A Message from Red Oak Sanitation

Last week we were made aware by several concerned customers that people were going door to door soliciting trash and recycling customers. These are some of the concerns:

1. Door-to-door solicitation is not permitted in Forsyth County unless [a business] has been permitted and wearing a county-issued ID. The county has informed us that no company has applied for a solicitation permit and is asking if [a non-permitted sanitation provider] knocks on your door, please call the Sheriff's non-emergency number (770-781-3087) to report it.
2. The solicitors are asking for payment of cash, check, or credit card in advance for three months of service. Please be protective of your financial information.
3. They are insisting on canceling your prior service for you. How can someone cancel any service on your behalf? Can the satellite company cancel your cable bill for you?
4. The company that these people are soliciting for does not currently have an account at the recycling center, yet their solicitation says it includes recycling service.
5. They are pushy and seldom take no for an answer.
6. Any time anyone solicits your business, please not only check their website but also check if they are listed with the Secretary of State and there are real people listed as owners.

We are passing on concerns that we have heard and been asked about. If you have any similar concerns or are just concerned about people going door-to-door in your neighborhood, please call the Sheriff's non-emergency number at 770-781-3087.

Thank You, Red Oak Sanitation
