Subject: Letter to All Our Brothers in Christ, and All The Residents of P.C.I.

It's heavy on my heart , One of the dumbest things I've ever heard Myself say, " I miss going to Prison" !!

I hope this letter finds all of our Brothers doing better than last Month. The Kairos Volunteers send Y'all a special greeting this Month, the Month of Our Saviors Birth. The CHRISTmas season is on us faster every year, or maybe it's because I (We) are all getting older, MAYBE 😊.

The Prayer and Shares we have been having are not the same, we want to keep the meetings going and I say any time Brothers In Christ get together it is good but, We All miss you guy's input and insights. We all need each other and All help each other to learn about Our Brother and Lord Jesus Christ. Did You hear what I said Our Brother, Abba (Father), Jesus (Brother), Holy Spirit (Friend), WE are All God's Children !!!!

I implore all of you to stay Strong In The Faith that God is Still In Charge and when He Is ready He will take care of all of this and Us !! We the Volunteers are always praying for the time when we can all get together again. I encourage all to look for the signs that God is here in His Creation, with all that is going on it is hard.-- I was setting in a tree stand and these two beautiful red cardinals flew into the tree in front of Me, I moved, I picked up my coffee and took a drink, they just looked, turned there heads, looked some more and just set there watching me, it was a male and female, did you know they mate for life, I had to look that up !

Brothers Please stay strong, hang on to your Peace. We Look Forward to the future with
Hope !!

Romans is My favorite Book, in Chapter 5 Verse 11 of My Bible (N.L.T.) it says, We have been made Friends with God through Jesus Christ, WOW, WE ARE FRIENDS OF GOD, how good does that make you feel ?

God's Blessings to all of You and Hang Onto Your PEACE, till We meet again know and feel God's Love !!

Y.B.I.C. Sid Mullins / Kairos
