

KAIROS JANUARY LETTER

Greeting to our Brothers in Christ....

Happy New Year from your Kairos Community. We pray that this year will be the end of COVID-19 and all the new variants. Our friends at the CDC feel that the new Omicron variant might be the last one and may even help our immune systems. We pray that this is the case and we can get back to normal. We also need to pray for our friends and relatives who have tested positive. We're not out of the woods yet, but may be getting close.

Your Kairos brothers on the outside continue to meet and pray for your well being. Jesus taught us to "pray without ceasing". Even in these difficult times we can find peace through Christ. Stay in His word. The Bible tells us that is where we find true peace even in the midst of adversity. Stay focused. Don't get down. Read the Bible.

We don't know when we will be able to return to Pender and resume Prayer and Share, have Reunions, or 4 day programs. But remember that we have not forgotten about you. We love you as Christ loved His church. Satan will try and get a foothold on you if you let him. Stay strong and pray, pray, pray.

Your Kairos Brothers
