Dear Brothers at Pender Correctional:

Greetings in the name of our Lord and Savior Jesus Christ!

Today's bible verse: When I am afraid, I put my trust in you.
Psalms 56:3 (NIV)

Who do you put trust in? At one time I lost my trust in everyone, including me. Once I put my trust in the Lord - everything changed - not everything got better, that would be a lie, but I find myself better able to handle situations that used to make me feel hopeless. This change was not in my head, it was in my heart. The Lord's miraculous transformation began with putting my trust in the Lord Jesus Christ. He is the great redeemer, and the great healer. This is exactly what I needed - healing my broken, rotten heart. I ask Him every morning to heal me, guide me, and most of all thank Him for my salvation. I pray that you all are asking Him also every day for His strength.

I pray that we will be able to resume our time inside sometime in the near future and that we can pray and sing the Lord's praises together. Until then
- put your trust in Him!!!

God bless,

Kairos Volunteer.
