To: Kairos Family and General Population of Pender Correctional Institution

We wish to send our warmest greetings to everyone and pray that you are all well. It pains us to not be able to interact with you during our prayer and share sessions, and saddened that we had to cancel the spring weekend, however we trust in the Lord that He is in control and we know we will emerge stronger in our faith from dealing with this virus.

The intent of this letter is to let everyone know that you are in our thoughts and daily prayers. We pray that whatever happens as a result of this current situation that you may find yourself calling on the Lord to comfort you and seeking out other people that are able to help you cope with all the inconveniences this shut down presents.

It is our intent to remain faithful to the Lord in His calling me to bring His love to all that are incarcerated. **Matthew 25:36 "I was in prison and you came to visit me."**

We look forward to the day when the restrictions are lifted and we are once again able to return to Pender Correctional to see you all face to face. Until that time we leave you with this verse to ponder: **"Those who hope in the Lord will renew their strength, They will soar on wings like eagles."** Isaiah 40:28-31

Peace be with you,

Kairos Volunteer
