**PLEASE NOTE THE YOUTUBE LINKS HAVE BEEN USED BY DR.  
CHETANA DURING THE MEDITATION SESSIONS:**

Please note that YouTube videos played during the presentation by Dr. Chetana are difficult to hear at times. Although her voice/picture is good and PPT slides appear fine, the background music played during meditation is a bit difficult to hear. To resolve this issue, we are recommending that you access the specific YouTube video using another device or opening up a new page on your desktop computer, Ipad, or smart phone and play the YouTube video. Until we can find a better procedure, we will do this for now. Here are the YouTube links that you will need:
