

NEIGHBORFEST IS COMING TO KONOCTI BAY

SATURDAY, APRIL 15TH, 2023

Noon-3pm

Galilee Lutheran Church is planning a big "block" party for Soda Bay, especially for our little neighborhood of Konocti Bay! Featuring the Lake County Diamonds, free food, and a jumpy house for the kids!

Neighborfest is a great opportunity to get to know some of your neighbors while walking around the block party and visiting tables with resources and trained people on site to help you prepare your household to "weather" times of disaster as well as possible. You'll get to explore some tips for disaster preparedness and have the opportunity to prepare an MRE (Meal Ready to Eat), a staple of every "go bag." The first 100 people to visit every booth will receive a solar power, hand crank radio that will keep your cell phone charged during a power outage and give you access to up to date news (one per household)!

Come join us April 15 from noon to 3pm.
