

To All Buckeye Iron Will Club Members:

The Board of Directors of the Buckeye Iron Will Club hopes this finds you well and once again able to get out and about.

On March 7, 2021 and May 23, 2021 the Board had a meeting in the John Hartz Building at the fairgrounds.

The following motions were made and approved by the Board members.

We will NOT be having a show this year in September.

We will, however, be able to bring tractors and displays to the Richland County Fair this year. Our club will again be in charge of all items inside and outside of the building. Therefore, we will again set up a schedule of times for people to sign up to watch over the building and contents.
