The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. No Owner shall have more than one (1) membership. Membership shall be appurtenant to and may not be separated from any ownership of any Lot which is subject to assessment by the Association. Transfer of ownership, either voluntarily or by operation of law, shall terminate such Owner's membership in the Association, and membership shall be vested in the transferee; provided, however, that no such transfer shall relieve or release such Owner from any personal obligation with respect to assessments which have accrued prior to such transfer.

(a). Class "A". The Class "A" Members shall be all Owners. The Class "A" Members shall be entitled to one (1) vote for each Lot owned. When more than one (1)

(b). Class "B." The Class "B" Member shall be Declarant. - (i). when the total votes outstanding in the Class "A" membership exceeds the total votes outstanding in the Class "B" membership, or
- (ii). the expiration of ten (10) years from the recording date of this Instrument in the Deed Records of Tarrant County, Texas.

3.3 NO CUMULATIVE VOTING. At all meetings of the Homeowners' Association, there shall be no cumulative voting. Prior to all meetings, the Board of Directors shall determine the total number of votes outstanding and entitled to vote by the Members.

#### ARTICLE IV COVENANT FOR ASSESSMENTS

4.1 CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS. Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be expressed in any such deed or other conveyance, covenants and agrees to pay to the Association: (i) annual assessments or charges, and (ii) special assessments for capital improvements. Such assessments (collectively, the "Assessments") are to be fixed, established and collected as provided herein. Assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the Lot and shall be secured by a continuing lien which is hereby created and impressed for the benefit of the Association upon the Lot against which each such Assessment is made. Each such Assessment, together with such interest, costs and reasonable attorney's fees shall also constitute a personal obligation of the person or entity who was the record Owner of such Lot at the time of the Assessment. "The personal obligation for delinquent Assessments shall not pass to successors in title unless expressly assumed by such successors, however the lien upon the Lot shall continue until paid.

4.2 PURPOSE OF ASSESSMENTS. The Assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the Owners, the improvement and maintenance of the Areas of Common Responsibility and any other property owned by the Association, and the performance and/or exercise of the rights and obligations of the Association arising hereunder. Assessments shall include, but not be limited to, funds to cover actual Association costs for all taxes, insurance, repair, replacement,

maintenance and other activities as may from time to time be authorized by the Board; legal and accounting fees, and any fees for management services; expenses incurred in complying with any laws, ordinances or governmental requirements applicable to the Association or the Property; reasonable replacement reserves and the cost of other facilities and service activities, including, but not limited to, mowing grass, grounds care, sprinkler system, landscaping, and other charges required or contemplated by this Declaration and/or that which the Board shall determine to be necessary to meet the primary purpose of the Association. The Association shall, in addition, establish and maintain an adequate reserve fund to ensure the continuous and perpetual use, operation, maintenance, and/or supervision of all facilities, structures, improvements, systems, areas or grounds that are the Association's responsibility. The fund shall be established out of the regular annual assessment.

#### 4.3 BASIS AND MAXIMUM OF ANNUAL ASSESSMENTS

(a). Until January 1st of the year next following the conveyance of the first lot to an Owner, the regular maximum annual Assessment shall be \$400.00 per Lot.

(b). From and after January 1st of the year next following the conveyance of the first Lot to an Owner, the maximum regular annual assessment may be increased by an amount up to fifteen percent (15%) over the preceding year's regular annual assessment solely by the Board. Any increase over and above 15% of the previous year's regular annual assessment shall be done only by the prior written approval of sixty-six and two-thirds percent (66 2/3%) of the outstanding votes (determined pursuant to Section 3.2 hereof) held by the Members at a meeting at which a quorum is present.

4.4 SPECIAL ASSESSMENTS. In addition to the regular annual Assessment authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the costs incurred by the Association pursuant to the provisions of this Declaration, provided that any such Assessment shall have the prior written approval of sixty-six and two-thirds percent (66 2/3%) of the outstanding votes (determined pursuant to Section 3.2 hereof) held by the Members at a meeting at which a quorum is present. Any Special Assessments shall be prorated based on the period of time the Owner owns the Lot during such year.

4.5 NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 4.3 AND 4.4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 4.3 and 4.4 hereunder shall be given to all Members not less than ten (10) days nor more than thirty (30) days in advance of such meeting. At such meeting, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes entitled to be cast by the Members of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements.

and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

4.6 UNIFORM RATE OF ASSESSMENT. Both the regular annual and Special Assessments shall be fixed at a uniform rate for all Lots, and shall commence and be due in accordance with the provisions of Section 4.7 hereof. Each Owner shall pay one hundred percent (100%) of the established Assessment for each Lot he or it owns. Declarant shall pay twenty-five percent (25%) of the established Assessment for each Lot it owns.

4.7 DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS; DUE DATES

(a). The obligation to pay regular annual assessments provided for herein shall commence on the first day of the month next following Declarant's conveyance of Lot 1,

Block 1, "Common Area 1, the Community Center" to the Association. The Assessments shall be due on such payment dates as may be established by the Association. Assessments shall be due and payable on an annual basis unless otherwise designated by the Association.

(b). As long as Declarant is a Class "B" Member (pursuant to Section 3.2 hereof), Declarant shall pay the deficiency resulting in the event the cost of maintenance exceeds the amount of the Assessments received from the Owners; provided, however, in such event, Declarant shall not otherwise be required to pay Assessments with respect to portions of the Property owned by Declarant; and further, provided, however, in no event shall Declarant be required to pay an amount which is in excess of one hundred percent (100%) of the established Assessment for each Lot it owns. When the Declarant is converted to a Class "A" Member, the Declarant (i) shall no longer be responsible for contributing shortfalls outlined in the preceding sentence but rather, (ii) shall commence making regular annual and Special Assessments pursuant to Sections 4.3 and 4.4 hereof calculated on the number of Lots Declarant then owns.

(c). The annual Assessment for the first Assessment year shall be fixed by the Association prior to the sale of the first Lot to an Owner. Except for the first Assessment year, the Association shall fix the amount of the annual Assessment at least sixty (60) days in advance of each Assessment year, which shall be the calendar year; provided, however, that the Association shall have the right to adjust the regular annual Assessment upon thirty (30) days written notice given to each Owner, as long as any such adjustment does not exceed the maximum permitted pursuant to Section 4.3 hereof. Written notice of the regular annual Assessment shall be given as soon as is practicable to every Owner subject thereto. The Association shall, upon demand at any time, furnish a certificate in writing signed either by the President, Vice President or the Treasurer of the Association setting forth whether the annual and special Assessments on a specified Lot have been

paid and the amount of any delinquency. A reasonable charge may be made by the Association for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

(d). No Owner may exempt himself from liability for Assessments by waiver of the use or enjoyment of any portion of the Development or Open Space or by abandonment of his Home.

**4.8 EFFECT OF NON-PAYMENT OF ASSESSMENTS: REMEDIES OF THE ASSOCIATION**

(a). All payments of the Assessments shall be made to the Association at its principal place of business in Tarrant County, Texas, or at such other place as the Association may otherwise direct or permit. Payment shall be made in full regardless of whether any Owner has any dispute with Declarant, the Association, any other Owner or any other person or entity regarding any matter to which this Declaration relates or pertains. Payment of the Assessments shall be both a continuing affirmative covenant personal to the Owner and a continuing covenant running with the Property.

(b). Any Assessment provided for in this Declaration which is not paid when due shall be delinquent. If any such Assessment is not paid within thirty (30) days after the date of delinquency, the Assessment shall bear interest from the date of delinquency, until paid, at the rate of ten percent (10%) per annum or the maximum rate allowed by law, whichever is the lesser. The Association may, at its option, bring an action at law against the Owner personally obligated to pay the same; or, upon compliance with the notice provisions hereof, foreclose the lien against the Lot as provided in Subsection 4.8(d) hereof. There shall be added to the amount of such Assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include said interest and a reasonable attorney's fee, together with costs of action. Each Owner vests in the Association or its assigns, the right and power to bring all actions at law or in equity foreclosing such lien against such Owner, and the expenses incurred in connection therewith, including interest, costs and reasonable attorney's fees shall be chargeable to the Owner in default. Under no circumstances, however, shall Declarant or the Association be liable to any Owner or to any other person or entity for failure or inability to enforce or attempt to enforce any Assessments.

(c). No action shall be brought to foreclose said Assessment lien or to proceed under the power of sale herein provided in less than thirty (30) days after the date a notice of claim of lien is deposited with the postal authority, certified or registered, postage prepaid, to the Owner of said Lot, and a copy thereof is recorded by the

Association in the Office of the County Clerk of Tarrant County, Texas. Said notice of claim must recite a good and sufficient legal description of any such Lot, the record Owner or reputed Owner thereof, the amount claimed (which may, at the Association's option, include interest on the unpaid Assessment at the maximum legal rate, plus reasonable attorney's fees and expenses of collection in connection with the debt secured by said lien), and the name and address of the Association.

(d). Any such sale provided for above is to be conducted in accordance with the provisions applicable to the exercise of powers of sale in mortgages and deeds of trust, as set forth in Section 51.002 of the Property Code of the State of Texas, or in any other manner permitted by law. Each Owner, by accepting a deed to a Lot, expressly grants to the Association a power of sale as set forth in said Section 51.002 of the Property Code, in connection with the Assessment lien. The Association, through duly authorized agents, shall have the power to bid on the Lot at foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

(e). Upon the timely curing of any default for which a notice of claim of lien was filed by the Association, the officers of the Association are hereby authorized to file or record, as the case may be, an appropriate release of such notice, upon payment by the defaulting Owner of a fee, to be determined by the Association but not to exceed the actual cost of preparing and filing or recording the lien and the release.

(f). The Assessment lien and the right to foreclosure sale hereunder shall be in addition to and not in substitution of all other rights and remedies which the Association and its successors or assigns may have hereunder and by law, including the right of suit to recover a money judgment for unpaid Assessments, as above provided.

**4.9 SUBORDINATION OF THE LIEN TO FIRST MORTGAGES.** The lien securing the Assessments provided for herein shall be subordinate to the lien of any first lien mortgage. The sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any first lien mortgage, pursuant to a decree of foreclosure or a non-judicial foreclosure under such first lien mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such Assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessment thereafter becoming due, in accordance with the terms herein provided.

**4.10 MANAGEMENT AGREEMENTS.** The Association shall be authorized to enter into management agreements with third parties in connection with the operation and management of the development and the performance of its obligations hereunder. A copy of all such agreements shall be available to each Owner. Any and all management agreements entered into by the Association shall provide that said management agreement may be canceled with or

without cause and without penalty by either party with thirty (30) days written notice. Any and all management agreements shall be for a term not to exceed one (1) year and shall be made with a professional and responsible party or parties with proven management skills and experience managing a project of this type. The Association may, at its discretion, assume self management of the development by the Association.

4.11 INSURANCE REQUIREMENTS. The Association through the Board, or its duly authorized agent, shall obtain insurance policies covering the Areas of Common Responsibility and Open Space and covering all damage or injury caused by the negligence of the Association, any of its employees, officers, directors and/or agents, commercial general liability insurance, directors and officers liability insurance, and such other insurance as the Association may from time to time deem necessary or appropriate.

## ARTICLE V PROPERTY RIGHTS

5.1 USE OF OPEN SPACE. It is proposed that the Open Space, including the Areas of Common Responsibility, will be improved only to the extent of landscaping and plantings, including such screening fences and walls as are prudent for security and safety to the Property. As such, the Association shall not, except as the Association may reasonably deem appropriate to comply with applicable laws or to protect the health, safety or welfare of the Development or the Members, or allow any interference or conflict with the natural or planted vegetation or trees in the Areas of Common Responsibility. The foregoing shall not imply any obligation on the part of the Declarant or the Association to provide any particular enhancement to the Open Space or render the Association in any way responsible for the actions of any Members or other parties on or in connection with the Open Space, unless such actions are undertaken at the written instructions of the Association. The Association shall have the following rights with regard to the Open Space:

- (i). the right to dedicate or transfer all of any part of the Open Space to any public agency or authority subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless (i) an instrument of agreement to such dedication or transfer, signed by two-thirds (2/3) of each class entitled to vote (determined pursuant to Section 3.2 hereof) is properly recorded, in the Deed Records of Tarrant County, Texas, and (ii) a written notice of proposed action under this Section is sent to every Owner (including Lienholders or Mortgagees) not less than thirty (30) days, nor more than sixty (60) days in advance of said action;

(ii). the right to borrow money to be secured by a lien against the Open Space; however, the rights under such improvement mortgage shall be subordinate and inferior to the rights of the Owners hereunder; and

(iii). the right to enter upon and make rules and regulations relating to the use of the Open Space.

**5.2 TITLE TO THE OPEN SPACE.** The Declarant shall dedicate and convey to the Association (at such time Declarant shall deem appropriate but in any event prior to the sale and conveyance of all Lots comprising the Property), without consideration, the fee simple title to the Open Space (Lot 1, Block 1, Common Area 1), owned by Declarant free and clear of monetary liens and encumbrances other than those created in this Declaration.

## ARTICLE VI ARCHITECTURAL REVIEW COMMITTEE

No building or other structure, fence, wall, parking area, swimming pool, spa, pole, mail box, driveway, fountain, pond, tennis court, sign, exterior illumination, change in exterior color or shape, or new or modification of a structure shall be commenced, erected or maintained upon any Lot or the patio or garage used in connection with any Lot after the purchase of any Lot from Declarant, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same are submitted to and approved in writing by the Architectural Review Committee (the "Committee") which shall be composed of three (3) representatives appointed by Declarant (during such time Declarant owns any Lots) and thereafter by the Association. Plans and specifications shall be submitted to the Committee at least fourteen (14) days prior to the commencement of any construction or modification. The following shall be submitted for approval: a site plan showing the entire Lot with existing improvements, and floor plan and elevations of all faces of the proposed structure; and a description of all exterior construction materials. A copy of the above described plans and specifications shall be retained by the Committee. The Committee shall review the plans and specifications and notify the Owner in writing of its approval or disapproval. If the Committee fails to approve or disapprove said plans and specifications within fourteen (14) days after the same has been submitted to it, they will be deemed to have been disapproved by the Committee. Any written disapproval shall set forth the elements disapproved and the reason or reasons thereof. The judgment of the Committee in this respect in the exercise of its sole and absolute discretion shall be final and conclusive and the Owner shall promptly correct the plans and specifications (if disapproved) and resubmit them for approval if desired. No construction, alteration, change or modification shall commence until approval of the Committee is obtained. The Committee may approve any

deviation from these covenants and restrictions as the Committee, in its sole and absolute discretion, deems consistent with the purpose hereof. No member of the Committee shall be personally liable to any Owner for any claims, causes of action or damages arising out of the denial of any submittal or grant of any deviation to an Owner. Future requests for deviations submitted hereunder shall be reviewed separately and apart from other such requests and the grant of a deviation to any Owner shall not constitute a waiver of the Committee's rights to strictly enforce the Declaration and the architectural standards provided herein against any other Owner. Approval by the Committee of the plans and specifications or its determination that the completed construction or modification has been constructed in accordance with the plans and specification shall be deemed to be an acknowledgment by the Committee that such are in accordance with these Covenants and Restrictions and such acknowledgment shall be binding against the Owners of the Lots and the Property. Until Declarant no longer owns a Lot, as vacancies in the Committee occur by resignation or otherwise, successor members shall be appointed by Declarant. Thereafter, the members of the Committee shall be selected and appointed by the Board. In the event that such Directors fail to designate members of the Committee within thirty (30) days after any vacancy appears thereon, then the remaining members of the Committee shall be entitled to appoint a successor to fill any vacancies. Members of the Committee may at any time and without cause, be removed by Declarant, or in accordance with the parameters above, by the Board. Neither the Declarant, the Association, the Board, the Committee nor any employees, officers, directors or members thereof shall be personally liable for damages or otherwise to anyone submitting plans and specifications for approval or to any Owner affected by this Declaration by reason of mistake of judgment negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any plans or specifications. Any errors in or omissions from the plans or the site plan submitted to the Committee shall be the responsibility of the Owner of the Lot to which the improvements relate, and the Committee shall have no obligation to check for errors in or omissions from any such plans, or to check for such plans' compliance with the general provisions of this Declaration, city codes, state statutes or the common law, whether the same relate to Lot lines, building lines, easements or any other issue. Notwithstanding anything to the contrary contained herein, once a particular set of plans and specifications submitted by a homebuilder (which for purposes hereof shall be defined as any entity or person in the business of constructing single family residences for the purpose of sale to third parties) has been approved by the Committee or deemed approved, such homebuilder may construct homes in the Subdivision on any lot in accordance with such plans and specifications without the necessity of obtaining subsequent approvals therefor, so long as there are no major material changes in the plans and specifications.

## ARTICLE VII

### CONSTRUCTION OF IMPROVEMENTS AND USE OF LOTS

**7.1 RESIDENTIAL USE.** The Property shall be used for single-family residential purposes only. No building shall be erected, altered, placed or permitted to remain on any Lot other than one (1) detached single family residence per Lot, which residence may not exceed two (2) stories in height and a private, enclosed garage as provided below, which residence shall be constructed to minimum property standards established by the Federal Housing Authority ("FHA") and in accordance with the Building Code and Specifications of the City, unless otherwise approved in writing by the Committee (as hereinafter defined).

7.2 SINGLE-FAMILY USE. Each residence shall be limited to occupancy by only ONE family consisting of persons related by blood, adoption or marriage, or no more than two (2) unrelated persons residing together as a single housekeeping unit, in addition to any household or personal servant staff.

**7.3 GARAGE REQUIRED.** Each residence shall have a fully enclosed garage suitable for parking a minimum of two (2) standard size automobiles, which garage shall conform in design and materials with the main structure. No open sided "car ports" shall be permitted. All garages must be equipped with an electric remote controlled garage door opener. Wherever possible, garage door openings should be directed to the side or rear of the Lot. Front opening garages (i.e. doors facing the street) are not preferred and alternate positioning of the garage is encouraged. Where front opening garage doors are approved, by the Committee, the front of the garage shall be located a minimum of forty feet (40') behind the front building line. (s). The general Lot pad elevation, grading, slope and drainage plan of a Lot as established by the approved Development plans may not be altered without the approval of the Committee or where such grading or elevation is an integral part of the City approved development improvements, by the City. Any alteration to such grading plan

which, in the sole judgment of the Committee, creates a need for a retaining wall or walls to provide slope protection for an adjacent Lot or Lots, shall require such wall construction by the Owner of such Lot altering such grading plan. Where no alteration of the grading plan is proposed, any wall construction shall be the obligation of the Owner of the higher elevation Lot. All retaining walls shall be constructed of milsap stone or Committee approved equal, or of the same brick or stone utilized on the main residential structure and shall be a maximum of four feet (4') in height. Railroad ties or wooded timber or post retaining walls are not permitted.

(t). Declarant or its agents shall have the right to remove any sign, billboard or other advertising structure that does not comply with the above, and in so doing shall not be subject to any liability for trespass or any other liability in connection with such removal.

(u). Outdoor clothes lines and drying racks visible to adjacent Properties are expressly prohibited. Owners or residents of Lots where the rear yard is not screened by solid fencing or other such enclosures, shall construct a drying yard or other suitable enclosure or screening to shield from public view clothes drying racks, yard maintenance equipment and/or storage of materials.

(v). Except within fireplaces in the main residential dwelling and equipment for outdoor cooking, no burning of anything shall be permitted anywhere on the Property.

7.10 WAIVER OF FRONT SETBACK REQUIREMENTS. With the written approval of the Committee, any building may be located farther back from the front property line of a lot than provided above, where, in the opinion of the Committee, the proposed location of the building will enhance the value and appearance of the Lot and will not negatively impact the appearance of adjoining Lots.

7.11 FENCES AND WALLS. All fences and walls shall be constructed of masonry, brick, wrought iron, wood or other material approved by the Committee. No fence or wall on any Lot shall extend nearer to any street than the front of the residence thereon. Except as otherwise SPECIFICALLY approved by the Committee, all streetside side yard fencing on corner Lots shall be set no closer to the abutting side street than the side yard setback line as shown on the Subdivision Plat. No portion of any fence shall exceed six feet (6') in height. Any fence or portion thereof that faces a public street shall be constructed so that all structural members and support posts will be on the side of the fence away from the street and are not visible from any public right-of-way. Wood fencing shall be constructed of Western Red Cedar material or Committee approved equal with 1" x 4" or 1" x 6" pickets with a flat top cap ("dog eared" picket tops are not permitted). Upon failure of any Owner to maintain a Lot owned by him in the manner prescribed herein, the Declarant or the Association, or either of them, at its option and discretion, but without any obligation to do so, but only after ten (10) days written notice to such Owner to comply herewith, may enter upon such Owner's Lot and undertake to maintain and care for such Lot to the condition required hereunder and the Owner thereof shall be obligated, when presented with an itemized statement, to reimburse said Declarant and/or Association for the cost of such work within ten (10) days after presentation of such statement. This provision, however, shall in no manner be construed to create a lien in favor of any party on any Lot for the cost or charge of such work or the reimbursement for such work.

(b). The Association shall operate, maintain, repair and, if required, replace the masonry screening wall located along the South Carroll Avenue property lines of: Lots 1, 2, 3 & 4, Block 1; Lots 29-35, Block 2; and Lots 1-14, Block 5. A ten (10) foot wide

operation, maintenance and re-construction easement parallel and adjacent to said property line(s) is hereby reserved in favor of Declarant and the Association for the performance hereof.

(c). The Association shall be responsible for the use, operation, maintenance, and/or supervision of all facilities, structures, improvements, systems, areas or grounds in the Areas of Common Responsibility.

## ARTICLE VIII GENERAL PROVISIONS

8.1 **EASEMENTS.** Easements for the installation and maintenance of public utilities and drainage facilities are reserved as shown on the Subdivision Plat. Easements are also reserved for the installation, operation, maintenance and ownership of utility service lines from the Lot property lines to the residences located thereon. Declarant reserves the right to make changes in and additions to the above easements for the purpose of the most efficient and economical installation of such improvements.

8.2 **ENFORCEMENT.** The Declarant or the Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, the By-Laws and Articles of Incorporation. Failure by the Association or by any Owner to enforce any covenant, condition or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. With respect to any litigation hereunder, the prevailing party shall be entitled to recover reasonable attorneys fees from the non prevailing party.

8.3 **SEVERABILITY.** Invalidation of any one (1) of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

8.4 **TERM.** The covenants, conditions and restrictions of this Declaration establishing and creating the Association shall run with and bind the Property, and shall inure to the benefit of and be enforceable by Declarant (during the time it owns any Lots), the Association, or the Owner of any Lot subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is recorded, after which time said covenants shall be automatically renewed for successive periods of ten (10) years, unless by vote, the then Owners of 67% of the Lots (and, if required by then applicable City ordinance, the prior written approval thereof by the City) agree in writing to terminate or change this Declaration in whole or in part and such writing is recorded in the Real Property Records of Tarrant County, Texas.

**8.5 AMENDMENT**

(a). This Declaration may be amended or modified upon the express written consent of at least sixty-six and two thirds percent (66 2/3%) of the outstanding votes (determined pursuant to Section 3.2 hereof) held by Members at a meeting at which a quorum is present. If required by applicable Ordinance at the time of such proposed amendment or modification, written approval of the City shall also be obtained for any such amendment or modification. Notwithstanding the foregoing, Declarant shall have the right to execute and record amendments to this Declaration without the consent or approval of any other party if the sole purpose of the amendment is for the purpose of correcting technical errors or for purposes of clarification, to the extent said amendments affect no portion of the Association's agreements, covenants, conditions or restrictions pertaining to the use, operation, maintenance and/or supervision of any facilities, structures, improvements, systems, areas or grounds that are the responsibility of the Association. Any and all amendments hereto, if any, shall be recorded in the office of the County Clerk of Tarrant County, Texas.

(b). Declarant intends that this Declaration may be amended to comply (if not in compliance) with all requirements of the Federal Home Loan Mortgage Corporation ("FHLMC"), Federal National Mortgage Association ("FNMA"), FHA and VA. Notwithstanding anything to the contrary contained herein, if this Declaration does not comply with FHLMC, FNMA, VA or FHA requirements, the Board and/or the Declarant shall have the power in its discretion (on behalf of the Association and each and every Owner) to amend the terms of this Declaration or to enter into any agreement with FHLMC, FNMA, VA, and FHA, or the respective designees, reasonably required by FHLMC, FNMA, VA or FHA to allow this Declaration to comply with such requirements. Should the FHLMC, FNMA, VA or FHA subsequently delete any of their respective requirements which necessitate any of the provisions of this Declaration or make any such requirements less stringent, the Board and/or the Declarant, without approval of the Owners, may cause an amendment to this Declaration to be executed and recorded to reflect such changes.

**8.6 GENDER AND GRAMMAR**. The singular wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or individuals, men or women, in all cases shall be assumed as though fully expressed in each case.

**8.7 ENFORCEMENT**. Enforcement of these covenants, conditions and restrictions shall be by any proceeding at law or in equity, including, without limitation, an action for injunctive relief, it being acknowledged and agreed that a violation of the covenants, conditions

and restrictions contained herein could cause irreparable injury to Declarant and/or the other Owners and that the Declarant's and/or the other Owner's remedies at law for any breach of the Owners' obligations contained herein would be inadequate. Enforcement may be commenced by the Association, the Declarant, or any Owner against any person or persons violating or attempting to violate any covenant, condition or restriction; and failure by the Association, the Declarant or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

8.8 NOTICES TO MEMBER / OWNER. Any notice required to be given to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly delivered forty-eight (48) hours after deposited in the United States Mail, postage prepaid, certified or registered mail, and addressed to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

8.9 HEADINGS. The headings contained in this Declaration are for reference purposes only and shall not in any way affect the meaning or interpretation of this Declaration. Words of any gender used herein shall be held and construed to include any other gender and words in the singular shall be held to include the plural and vice versa unless the context requires otherwise.

8.10 FORMATION OF ASSOCIATION, INSPECTION OF DOCUMENTS, BOOKS AND RECORDS. The Association shall be formed by Declarant as a non-profit corporation in accordance with the laws of the State of Texas. All minute books, meeting and other records and financial statements of the Association shall be held available for inspection by any Owner or any Mortgagor during normal business hours or at such other reasonable times as the Board may approve.

8.11 INDEMNITY. The Association shall indemnify, defend and hold harmless Declarant, the Board, the Committee and each director, officer, employee and agent of Declarant, the Board and the Committee from all judgments, penalties (including excise and similar taxes), fines, settlements and reasonable expenses (including attorneys' fees) incurred by such indemnified person under or in connection with this Declaration or the Property to the fullest extent permitted by applicable law. **8.12 FHA / VA APPROVAL REQUIREMENT.** As long as there remains any Class B membership AND any first lien mortgage is then in effect with respect to any Lot which is insured by FHA or VA, the following actions shall require prior approval of FHA or VA (to the extent such approval is required under then applicable FHA or VA regulations): amendment of the Articles of Incorporation, Declaration or Bylaws; annexation of additional property; mortgaging or dedication of the Open Space; and/or dissolution of the Association.

The obligations described in this paragraph are solely obligations of the Association, and no other party, including without limitation, the Declarant or any Owner, shall have any liabilities or obligations in connection therewith.
