WELCOME

Welcome to Justice Unites Savannah Together (JUST)! We're thrilled to have you join our diverse coalition of congregations and community advocates dedicated to justice and equity in Savannah and Chatham County. Together, we'll address critical issues impacting community well-being, empower our neighborhoods, and amplify the voices of those often unheard. Your passion and commitment are vital as we work to make a lasting difference in our community.

RESOURCE

As the threat of authoritarianism grows across the globe, this book makes the case that **belonging without othering is the necessary**, but not the inevitable, next step in our long **journey toward creating truly equitable and thriving societies**. The authors argue that we must build institutions, cultivate practices, and orient ourselves toward a shared future, not only to heal ourselves, but perhaps to save our planet as well.
