

# Haf-Pynt™

## Biodegradable Non-ionic Surfactant

### PRINCIPAL FUNCTIONING AGENT:

Alkyl polyethoxyethanol ..... 80.0%

### CONSTITUENTS INEFFECTIVE AS

SPRAY ADJUVANTS: ..... 20.0%

**TOTAL:** ..... 100.0%

Ingredients exempt from tolerance under 40 CFR 180.1001.

## KEEP OUT OF REACH OF CHILDREN CAUTION

**Read Entire Label Before Using This Product**  
**SHAKE WELL BEFORE USING**

### PRECAUTIONARY STATEMENTS

Avoid contact with eyes. Harmful if swallowed. Avoid skin contact. Causes eye and skin irritation. In case of contact, wash the affected areas with water immediately and continue washing for fifteen minutes. Call a doctor if irritation persists. Wear chemical-resistant gloves.

### GENERAL INFORMATION

Haf-Pynt, an alcohol ethoxylate formulation, is a general purpose 80/20 non-ionic surfactant (NIS) of the alkyl polyethoxyethanol type surface active agents. This product does not contain Nonylphenol Ethoxylates (NPES). Also an anti-foam has been added to handle the high foaming associated with some product combinations. It can be used with most insecticides, fungicides, herbicides, acaricides, defoliants, desiccants and wettable powders to improve performance of the active spray ingredient by giving them more uniform distribution and better wetting of the plant surface.

### DIRECTIONS FOR USE

Applications	This Product per 100 Gallons of Mix
Insecticides	1/4 pint
Fungicides	1/4 pint
Herbicides	1/2 pint
Acaricides	1/4 pint
Defoliants	1/2 pint
Desiccants	1/2 pint
Wettable powders	1/2 pint

Variations in conditions of use can cause some variation in the amount of this product required. The minimum required to give a smooth, uniform coverage usually gives the most effective results. Not for aquatic use.

### MIXING INSTRUCTIONS

For wettable powders and water-soluble materials, add this product in water before adding pesticide to spray tank. For emulsifiable products, add this product after a good emulsion is formed.

### CONTAINER DISPOSAL

Do not contaminate water, food or feed by storage and disposal. Follow all governmental procedures for the disposal of agricultural spray solutions. Triple rinse container, empty rinsate into spray tank. Dispose of empty container according to approved local practices. Contact County Agricultural Commissioner for disposal information.

### WARRANTY—CONDITIONS OF SALE

OUR RECOMMENDATIONS FOR USE of this product are based upon tests believed reliable. Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the Seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith.

In no case shall Manufacturer or Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product when such use and/or handling is not in strict accordance with directions given herewith. The foregoing is a condition of sale by the Seller and is accepted as such by the Buyer.
